सूक्ष्म और लघु उद्यम को खरीद में प्राथमिकता के लिए बिड की मात्रा का अधिकतम प्रतिशत / Maximum Percentage of Bid quantity for MSE purchase preference	25
---	----

1. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

2. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

3. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:

- i. If number of technically qualified bidders are only 2 or 3.
- ii. If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
- iii. In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
- iv. If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
- v. If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be (Increased quantity ÷ Original quantity) × Original delivery period (in days), subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

2. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

3. Buyer Added Bid Specific ATC

Buyer Added text based ATC clauses

The Bidder is required to submit their proposal in strict compliance with all terms, conditions, and requirements outlined in this tender document. The Scope includes :

Supply, Installation and Commissioning of Vehicle Testing Equipment
Supply, Installation and Commissioning of necessary IT Infrastructure
Supply, Installation and Commissioning of necessary Civil Works for Automated Testing Facility
Comprehensive Maintenance Contract for Vehicle Testing Equipment and IT & other equipment for 3 years post comprehensive warranty of 2 years

अस्वीकरण/Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer, is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid. All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM. If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid & resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by the applicable GeM GTC.
13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in

the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

This Bid is governed by the General Terms and Conditions, conditions stipulated in Bid and Service Level Agreement specific to the Service, as the case may be, as provided in the Marketplace.

However, in case of Service, if any condition specified in General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement specific to said Service, then it will over-ride the conditions in the General Terms and Conditions.

[यह बिड सामान्य शर्तों के अंतर्गत भी शासित है /This Bid is also governed by the General Terms and Conditions](#)

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

Supply, Installation, Commissioning of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam	1 Unit	National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam	Within 90 Days from the date of award of contract on GeM.

A.2 Detailed Technical Specifications

Objective and Scope of Supply:

The objective of this tender is to invite bids for the Supply, Installation, Commissioning of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam.

The scope includes the supply of two Automated Vehicle Testing Equipment lanes (Heavy duty & Light Duty) and Necessary IT Infrastructure, electrical fittings, sensors along with Necessary Civil Works for flooring and test pits for Automated Testing Facility at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam along with documentation, comprehensive technical support, commissioning audit and 3 years Comprehensive Annual Maintenance Contract (CAMC) strictly in accordance with the detailed technical specifications provided herein:

1. Testing Equipment Specifications

SR.	Equipment	Numbers to be Supplied		Operational Specifications
		Light Duty (LD) Lane	Heavy Duty (HD) Lane	
1	Roller Brake Tester	01	01	i) Maximum measurable brake load of at least of 6kN. ii) No Difference in left and right braking efficiency. iii) Brake load resolution <= 100 N

				<ul style="list-style-type: none"> iv) ≥ 200 mm dia or suitable roller diameter, length and separation as per the Matrix given in clause (7) of this rule in GSR-652(E) and 797(E). v) Provision for either lifting or braking of roller for easy exit of vehicle. vi) Minimum frictional coefficient 0.6 (Supporting documents from Internationally certified agencies or NABL accredited labs in India for confirmation of minimum frictional coefficient of roller surface need to be provided). vii) Service life: Minimum 25000 hrs (Self-declaration from OEM specifying required useful life of rollers without any damage need to be provided). viii) Measurement accuracy: within +100 N
2	Axle Weight Measurement System	01	01	<ul style="list-style-type: none"> i) Weighing scale for measurement of each axle weight is required. The system should determine this by adding together the axle weight, tare weight/ Kerb weight of the vehicle. ii) Axle weight measurement system can be separated or integrated within either Suspension Tester or Roller Brake Tester equipment. iii) There shouldn't be any discrepancies between the displayed weight and actual weight of the vehicles. iv) Maximum Axle Weight: 20 T for HD and 10 T for LD lanes.
3	Suspension Tester	01	00	<ul style="list-style-type: none"> i) To be supplied for both LD & HD lanes ii) Amplitude of excitation: 6.5 mm +/- 5 mm iii) Measurement accuracy - $\pm 1\%$ of wheel load <p>Maximum Load Capacity: 20 Ton</p>
4	Side Slip Tester	01	01	<ul style="list-style-type: none"> i) Measuring range: ± 20 m/km or ± 15 m/km ii) Measuring resolution: 1 m/km <p>Accuracy shall be ± 1.0m/km</p>
5	Joint Play Tester	01	01	<ul style="list-style-type: none"> i) Maximum Force per plate should be at least of 6 kN. ii) Maximum movement on each side: 50 - 80 mm (Hydraulic)
6	Steering Gear Play Detector (Automatic)	01	01	<ul style="list-style-type: none"> i) Capable of measuring angular movement up to $\pm 30^\circ$. ii) Availability of Recording mechanism to measure wheel movement against steering movement iii) Measurement accuracy - $\pm 2\%$ of full-scale deflection
7	Headlight Tester (Semi/Fully Automatic)	01	01	<ul style="list-style-type: none"> i) Light Intensity range measure (min): 0-100,000 cd ii) Illumination Intensity range measure: 0-200 lux iii) Headlight tester must have auto focusing ability and should be capable of measuring headlamp with their Centres 500 mm to 1200 mm above ground level iv) Vertical and horizontal measuring range: ± 50 cm/10 m ($\pm 5\%$) v) Intensity maximum deviation: $\pm 5\%$ of reading. vi) Provision of a rail mechanism for the tester to be placed in line with the headlamps. Along

				with provision of vertical movement for adjustment. vii) Maximum deviation of inclination measurement (vehicle orientation): $\pm 0.1\%$
8	Speedometer Tester & Speed Governor Tester	01	01	i) Suitable dimensions of track weight, roller diameter and axle separation, as per the Matrix given in clause (7) of this rule in GSR 652 (E) & 797 (E). ii) Provision for lifting and braking of roller for easy exit of vehicle. iii) Measuring range: 20 - 160 km/h iv) Resolution: 1 km/h v) Accuracy: $\pm 1\%$ of of indicated reading.
9	Exhaust Gas Analyzer	01	01	i) The equipment should measure gas emissions of gasoline, CNG, LPG as per Central Motor Vehicles Rules 1989 / TAP 115/116 or AIS 137 (part 8). ii) Threshold limits as per relevant provisions in rule 115. iii) Measuring resolution to be as follows: (a). CO: 0.01% (b). CO ₂ : 0.1% (c). HC: 1 ppm (d). O ₂ : 0.02% for measured values $\leq 4\%$ values & 0.1% for measured values $\geq 4\%$ (e). Lambda: 0.001 RPM counter: 10 rpm. iv. The maximum deviation allowed in the rpm counter shall be ± 20 rpm or $\pm 2\%$ of the reading, whichever is greater. v. Probe to be mechanically clamped to the tail pipe for suitable analysis of exhaust gas. (ii) Ambient air quality should not be disturbed due to exhaust gas emissions. Suitable mechanism to be incorporated for extraction of exhaust gas from the shed.
10	Opacimeter / Smoke Meter	01	01	i. Equipment to meet specifications as per MoRTH / Central Motor Vehicles Rules,1989 / TAP 115 / 116 or AIS 137 (part 8).
11	Sound Level Meter	01	01	i) Recommended as per IEC 60651/ IEC 61672-1. ii) Measuring level: ≥ 30 dB to ≤ 120 dB iii) Frequency A & C iv) Accuracy - ± 1.5 dB v) Build battery for power source of charging from outlet of 220V AC and USB vi) Resolution: 0.1 dB
12	OBD Scan Tool	01	01	i) OBDII/EOBD/HDOBD/WWH-OBD Scan-Tool in accordance with SAE J1979, SAE J1939 and ISO 27145 compliant and Must support all OBD modes. ii) Diagnostics Communication mediums supported: KWP2000 (K-Line, CAN TP2.0 and ISO-CAN), UDS (ISO-CAN)
13	Test Fingers (IPXXB & IPXXD)	01	01	i) IPXXB & IPXXD test fingers to be supplied. ii) Compliant with IEC 60529 (Degrees of Protection - IP Code)
14	Insulation Tester	01	01	i) Test voltage: 250V / 500V / 1000V DC selectable ii) Measurement range: up to ≥ 2000 M Ω iii) Accuracy: $\pm 5\%$ or better iv) Digital display with auto discharge function

				<ul style="list-style-type: none"> v) Overload and short circuit protection vi) Suitable for EV/HEV high voltage insulation testing
15	Free Roller Set	01	01	<ul style="list-style-type: none"> i) The device shall be portable to accommodate large variations in wheelbase of the vehicle. ii) It shall allow driven axels to turn without touching the floor. It shall be composed of a chassis with free turning wheels mounted onto it. iii) The device shall be designed to ensure safety of nearby people and vehicles so a proper restraint system shall be placed.
16	Bogie Roller Set	01	01	<ul style="list-style-type: none"> i) Suitable for tandem/multi-axle vehicles ii) Load capacity: $\geq 20T$ axle load iii) Heavy-duty anti-skid roller surface iv) Smooth synchronized roller rotation v) Designed for compatibility with brake/speed testing systems
17	Toeing Trolley	01	01	<ul style="list-style-type: none"> i) Toeing trolley should be capable of safe movement of front wheel of 3-wheelers by sliding over the inspection pit. ii. Locking mechanism should be provided for loading & unloading of front wheel of 3-wheelers on the trolley.
18	Fume Extractor	01	01	<ul style="list-style-type: none"> i) Suction capacity $\geq 1000-1500$ m³/hr ii) Flexible hose with tailpipe nozzle iii) Filtration efficiency $\geq 95\%$ iv) Noise level ≤ 75 dB v) Wall/ceiling mounted or rail-mounted system vi) Compliant with environmental norms
19	Tyre Inflator	01	01	<ul style="list-style-type: none"> i) Digital pressure setting with auto cut-off ii) Pressure range: 0-120 psi or higher iii) Accuracy: ± 1 psi iv) Heavy-duty hose and nozzle v) Wall-mounted/portable configuration
20	License Plate Reader	01	01	<ul style="list-style-type: none"> i) Recognition accuracy $\geq 95\%$ ii) Resolution ≥ 5 MP iii) Frame rate ≥ 25 fps (50 fps preferred) iv) IR illumination for night operation v) ONVIF compliant vi) Integration with ATS software & database vii) Weatherproof (IP66/IP67)
21	Calibration Tools	01 lot for LD and HD lanes		<ul style="list-style-type: none"> i) NABL traceable calibration standards ii) Includes force gauges, weights, lux meter references, speed calibration devices iii) Calibration certificates with validity iv) Suitable for all ATS equipment periodic verification

IT Hardware and Software Specifications

SR. No.	Equipment Name	Quantity	Technical Specifications
1	Central Server (On-Premises)	1	i) Processor: Intel Xeon Scalable / AMD EPYC (latest gen) ii) ≥ 16 cores/CPU iii) RAM ≥ 64 GB DDR4 ECC (expandable) iv) Storage $\geq 2 \times 3.84$ TB SSD (RAID 1) + expandable v) RAID 0/1/5/6/10 vi) Dual hot-swappable PSU $\geq 750W$ vii) 2U rack server viii) Dual 1GbE + 10GbE NIC
2	Backup Server / NAS	1	i) Storage ≥ 20 TB usable ii) RAID 5/6 support iii) Snapshot, replication & auto-backup iv) Dual LAN ports
3	Operator Workstations	6	i) Intel i5/i7 or Ryzen 5/7 ii) RAM ≥ 16 GB iii) Storage ≥ 512 GB NVMe SSD iv) Dual monitor support v) Windows Pro OS, All in One Desktops (27 inch Monitor)
4	Admin Workstations	6	i) Intel i5/i7 or Ryzen 5/7 ii) RAM ≥ 16 GB iii) Storage ≥ 512 GB NVMe SSD iv) Dual monitor support v) Windows Pro OS, All in One Desktops (27 inch Monitor)
5	Supervisor Console	1	i) High-end workstation (i7/Ryzen 7) ii) RAM ≥ 32 GB iii) Multi-display support iv) Analytics/dashboard enabled, All in One Desktops (27 inch Monitor)
6	ATS Application Software	1	i) Automated test sequencing ii) CMVR rule-based pass/fail iii) Integration with all ATS equipment iv) Audit trail & logs
7	Database System	1	i) Enterprise DB (PostgreSQL/SQL Server/Oracle) ii) ACID compliance iii) Backup & failover support
8	API Integration Module	1	i) REST API based ii) Integration with VAHAN iii) Secure token authentication
9	Reporting & Analytics Engine	1	i) Custom reports ii) Dashboard analytics iii) Export: PDF/Excel
10	User Management System	1	i) Role-based access control ii) Multi-level authentication iii) Activity logging
11	Token Management System	1	i) Queue automation ii) Token display integration iii) Real-time updates
12	Managed Network Switch (L2/L3)	3	i) 24/48 port Gigabit ii) VLAN, QoS iii) L3 routing support iv) SNMP/CLI/Web management
13	Industrial Switches	4	i) Rugged IP30/IP65 ii) Wide temp range iii) DIN rail mount
14	Enterprise Router	1	i) Throughput ≥ 1 Gbps ii) Dual WAN iii) VPN (IPSec/SSL) support
15	Firewall (UTM)	1	i) IPS/IDS, antivirus ii) Web filtering iii) Throughput ≥ 1 Gbps

16	Structured Cabling	As required	i) CAT6/CAT6A ii) Certified installation iii) Patch panels, racks included
17	Fiber Backbone	As required	i) Single mode OFC ii) 1-10 Gbps iii) Redundant routing
18	Wi-Fi Access Points	5	i) Dual band ii) WPA3 security iii) Seamless roaming
19	ANPR Cameras	4	i) ≥5 MP ii) ≥95% recognition accuracy iii) IR/night vision iv) ONVIF compliant
20	Fixed IP Cameras	12	i) ≥2 MP ii) Night vision iii) IP66 rating
21	PTZ Cameras	3	i) 360° rotation ii) ≥20x optical zoom iii) Remote control
22	Network Video Recorder (NVR)	1	i) ≥32 channels ii) Storage ≥16 TB iii) H.265 compression
23	Video Analytics Software	1	i) Motion detection ii) Event alerts iii) AI-based analytics
24	360° Dome Camera	2	i) Panoramic view ii) ≥4 MP iii) Dewarping support
25	Token Display System	2	i) LED/LCD display ii) Real-time queue display (43 inches)
26	LED Display Screen	2	i) ≥42" industrial display ii) High brightness (55 inches)
27	Laser Printer	2	i) ≥30 ppm ii) Duplex printing iii) Network enabled
28	Thermal Printer	2	i) ≥200 mm/sec print speed ii) USB/LAN interface
29	Document Scanner	1	i) Duplex scanning ii) ≥25 ppm iii) ADF support
30	Online UPS (20 KVA)	2	i) True online UPS ii) Backup ≥30-60 min iii) Surge protection
31	Split AC	5	Split Air conditioners, minimum 4 star rating inverter type fitted with hermitically sealed compressor operating on 220 ±10%, 50Hz single phase AC supply with evaporator and condensing unit made of copper tubes with aluminium fins , cordless remote control, copper piping for both suction and discharge of three(03) meter length with protection covering for piping, of suitable size of medium PVC pipe, power and control cabling as per site requirement.

Civil Works for ATS Facility (Testing Bay)

(a) The existing IMS facility of NIAIMT has a total area of 735 sqm. The scope of civil works includes Lifting of existing equipment, Design, modification, re-construction and civil work related to existing foundations for the installation of the vehicle testing machine equipment. The existing equipment foundations at NIAIMT Silchar are already in place. The Successful Bidder shall carry out modification, alteration, strengthening, water proofing of the pits and adaptation of the existing foundations to suit the new vehicle testing equipment design to be installed.

The successful bidder shall also construct the trimix flooring, and develop the flooring as per equipment installation requirements, epoxy coating of 3 mm for the flooring, conduiting for cables, including 3-phase and single-phase cables & drainage, and compressor piping, FRL units, as required.

(b) The Visual Inspection Pits already constructed at the site which needs water proofing and tiling. Access

arrangements to the inspection pits shall be reviewed and modified, wherever necessary, to provide safe entry through stairways or ramps complying with applicable safety standards. Guardrails, anti-slip provisions, and other safety features shall be installed or upgraded as required.

- (c) The Successful Bidder shall submit detailed test lane layout, equipment installation drawings, and foundation modification drawings for the Automated Testing Station. The drawings shall be subject to review and vetting by the National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) for compliance with applicable standards and functional requirements prior to execution.
- (d) Supply, installation, and commissioning of vehicle testing equipment as per the specifications prescribed of this tender, and IT Equipment as per the requirements of CMVR Chapter XI.
- (e) Supply installation & commissioning of necessary utilities like UPS, Metering Kiosk, Air conditioners, Water coolers with RO purifiers, etc., calibration tools, special tools, and requisite software for smooth operation of the Centers with necessary reports.
- (f) The bidder is to quote rates keeping in view the scope of civil construction, including machine foundation, pit work modifications, and other works as mentioned above.
- (g) Safety is of utmost importance, and the successful bidder shall place necessary fire-fighting equipment on the testing bays as per the requirements to mitigate the instances of fire, arson & short-circuits.

Note: The quantities in the ATC are indicative; for the detailed scope of work, please visit site and refer to the BOQ and ATC.

A.3 Other Technical Conditions:

1. Submission of Quotation and Technical Compliance

- The Bidder shall submit their quotation strictly in accordance with the specifications, scope of supply, and other requirements as detailed in the tender documents pertaining to the procurement of the equipment for **Vehicle Testing Equipment and Necessary Utilities for Automated Testing Facility. Some items may not be indicated specifically in the BOQ, however, needs to be supplied as a standard ATS norms of operations.**
- The Technical Bid shall mandatorily include detailed information such as the brand name, model number, complete technical specifications, and supporting technical literature/catalogues clearly highlighting the features and parameters being offered. All technical submissions must be relevant, specific, and clearly linked to the tendered requirements.
- The Bidder is mandatorily required to submit the Technical Compliance Checklist of the tender document, clearly indicating item-wise compliance against each of the technical specifications laid out in the bid.
- The Statement of Compliance shall be accompanied by authentic, verifiable documentary evidence, including datasheets, certificates, manuals, or test reports to demonstrate conformity to each parameter specified. Unsupported compliance claims shall not be considered and may lead to rejection of the bid.
- All pages of the bid submission, including the technical bid, annexures, catalogues, and all supporting documents, shall be duly signed and stamped by the authorized signatory of the bidding entity. Any overwriting, corrections, or alterations must also be authenticated by the same.
- Non-submission or incomplete submission of **Checklist**, absence of a proper Statement of Compliance, lack of supporting documents, or failure to sign/stamp bid documents shall be treated as non-compliance and may result in summary rejection of the bid without any further correspondence or clarification.

Conditions specific to ATS supply, installation, and commissioning

- All the equipment must meet the Environmental, Health and Safety aspects as the work also includes IT and Electrical works.
- Undertaking from the Equipment Manufacturer of testing lane equipment regarding uninterrupted Warranty of its Equipment, Utilities and IT Equipment to NIAIMT for the period of 2 (Two) years from the date of commissioning of the Equipment.
- Supply and installation of Desktop Computers, Servers, Printers, and other necessary IT equipment

and related initial consumables.

- Comprehensive AMC of 3 years for all installed vehicle testing equipment, IT Equipment, and all utilities.
- Lane Management Software along with details of Token/ Lane Management software features are to be supplied along with the testing software.
- Software to be supplied for conducting Motor Vehicle inspection tests as per the provisions of the Central Motor Vehicles Rules (CMVR) 1989, as amended from time to time.
- Software to be supplied must have provision for insertion of additional vehicle inspection tests as directed by any Competent Court of Law, Competent Authority, or Central Government or Government of Assam.
- Necessary provision for all Visual checks conducted on a vehicle shall be photographed using a mobile device, and the record of the same shall be preserved for at least six months for audit and assessment purposes.
- Preparation of Manuals & imparting induction training and refresher training to the officers of NIAIMT, Silchar.
- Necessary cybersecurity certifications shall be provided for the Information technology Systems for safe access to the VAHAN/AFMS database as applicable.
- All connections between the supplied equipment cables & control panel, as well as internal wiring and cabling of the equipment shed area, are the responsibility of the Successful Bidder. Cables from the main panel to the equipment shed area have already been laid at NIAIMT, Silchar. Necessary modifications of the same may be undertaken as required.
- Audit and assessment of the testing station shall be conducted every six months, and at such other time as directed by the Procuring Authority. The successful bidder will provide necessary support and documents to the department as and when required.
- Capturing GPS-coordinated date and time and a picture of the registration plate of the vehicle through GPS enabled camera having built-in Wi-Fi and GPS support.
- Phase-wise training of officials of NIAIMT dedicated to the ATS facility.
- Supply of Lane management software and System up-gradation with the latest software version with latest updates at no additional cost to NIAIMT till the service life of the equipment (10 years).
- All necessary hardware/software for printing PASS Sticker to the vehicles passing the fitness test.
- Calibration of installed equipment as per defined calibration frequencies.
- Sharing of required hardware and software protocols as and when required by the Authority for integration of any additional equipment or any software.
- The successful bidder shall share all the required protocols/API etc. for integration with different software during the CAMC period and after the end of CAMC period as and when required by NIAIMT.
- Shall facilitate the conduct of pre-dispatch inspection of equipment along with the officials designated by NIAIMT. The entire expenses of the pre-dispatch inspection shall be borne by the bidder.
- Purchase and maintain in force with reputable insurers the Equipment Insurances and other required insurances for the transit and unloading of the equipment to the installation site.
- Bidder shall comply with all the applicable requirements of G.S.R 652(e) Dated 23rd September 2021, G.S.R 797 (e) Dated 31st October 2022 issued by MoRTH, GOI as well as any future amendments in Chapter XI of CMVR, 1989 or any amendments in place till the bid submission, along with all Indian Rules/ Regulations/ Guidelines related to Automated Testing Station.
- Any changes in software to accommodate any changes in ATS regulation and API integration with the

central/State Server will be done by the successful bidder throughout the service period (10 years) without any additional cost.

- Any other requirements as per provision given in the prevailing Motor Vehicle Act & rules made thereunder.
- The cost of Commissioning Audit shall be borne by the bidder.

Civil Scope of Work (Modification of Existing Foundations and Associated Civil Works)

- The civil works under this tender shall primarily comprise assessment, modification, strengthening, and adaptation of the existing machine foundations and associated civil infrastructure, which were constructed for previously installed equipment at NIAIMT, Silchar.
- No new full-scale construction of equipment foundations is envisaged unless specifically required due to technical incompatibility or structural inadequacy identified during assessment and approved by the Procuring Authority.
- The Successful Bidder shall execute the following activities in accordance with the approved engineering drawings, equipment installation requirements, and necessary civil estimate.

Assessment and Site Preparation

- Detailed inspection, survey, and structural assessment of existing machine foundations, pits, flooring, and associated civil infrastructure.
- Verification of levels, alignment, dimensions, load-bearing capacity, and embedded provisions against new equipment requirements.
- Controlled dismantling, cutting, trimming, or removal of portions of existing concrete or masonry wherever required for modification.
- Excavation only where necessary for foundation alteration, strengthening, or utility integration.
- Disposal of dismantled material and debris in accordance with applicable regulations.
- Backfilling with suitable material and compaction, wherever modification works require re-profiling.

Concrete Works (Modification / Strengthening)

- Localized PCC and RCC work for the modification, extension, repair, strengthening, or reconfiguration of existing foundations.
- PCC using specified aggregates and cement grade as per design requirement.
- RCC of minimum M25 grade (or as approved), including micro-concrete, non-shrink grout, or structural strengthening materials wherever required.
- Repair of damaged concrete surfaces, leveling corrections, and structural rectification.
- RCC DWC flooring modification, patching, or strengthening with surface hardener where required for heavy-duty operation.
- All concrete work to comply with IS 456 and relevant structural standards.

Formwork and Reinforcement (Where Required)

- Formwork using steel plates or waterproof plywood, ensuring dimensional accuracy and structural alignment.
- Supply, cutting, bending, and fixing of reinforcement steel conforming to structural design requirements.
- Anchoring systems, base plates, and embedded components, as required for equipment installation.

Sub-base and Backfilling

- Reworking or strengthening of granular sub-base (GSB) where foundation modification affects base

support.

- Backfilling with approved material compacted in layers to the specified density.
- Restoration of the surrounding areas to the required levels and load-bearing condition.

Plumbing, Drainage, and Conduits

- Modification, extension, or relocation of internal drainage lines.
- Installation or adjustment of PVC pipes conforming to applicable standards.
- Modification or provision of DWC electrical conduits, encased in PCC, where required.
- Integration of existing and new utility routes affected by foundation modification.

Tile Work

- Waterproofing and new tiling works at ATS Pits, both HD and LD.
- Provision of anti-skid ceramic tiles where required for safety and functionality.
- Epoxy grouting and finishing for durability and hygiene.

Epoxy Flooring (Restoration and New Application)

- Repair and preparation of existing flooring surfaces.
- Application of an industrial-grade epoxy flooring system (minimum 3 mm thickness).
- Anti-skid solvent-free epoxy coating in approved color scheme.
- Color coding may include:
 - Grey (RAL 7035) general operational areas
 - Green (RAL 6011) – safe zones / designated bays
 - Yellow / Black – hazard or boundary marking

Structural Fabrication

- Supply and installation of structural steel components required for foundation modification or equipment support.
- Fabrication using steel conforming to IS 2062.
- Protective coating with primer and finishing paint.

Fresh Air Induction and Pit Ventilation

- Modification, relocation, or installation of pit ventilation systems wherever required.
- Industrial blowers and ducting suitable for inspection pit safety.

Compliance and Standards

- All civil work shall comply with:
 - Relevant IS Codes
 - CPWD specifications
 - MoRTH guidelines (where applicable)
 - Equipment manufacturer installation requirements

Equipment Integration

The Successful Bidder shall:

- Coordinate with equipment suppliers for dimensional compatibility.
- Ensure foundations meet load bearing, vibration, and alignment tolerances.

- Prepare and submit detailed test lane layout drawings for approval prior to execution.

Structural Certification

- Prior to commissioning, the Successful Bidder shall submit a structural adequacy certificate from any IIT / NIT or equivalent Government technical institution confirming that modified foundations meet design and load requirements.

Execution Requirements

- Works shall be executed in a time-bound manner.
- Disturbance to existing infrastructure shall be minimized.
- Structural stability of existing facilities shall not be compromised.

Measurement and Payment

- All civil work shall be considered within the scope of supply of ATS equipment, installation, and calibration, and shall not be paid separately. The bidder shall include the tentative cost of civil work in their final quotation/bid.

Material Testing and Quality Assurance

- To ensure structural safety, durability, and compliance with applicable standards, the Successful Bidder shall carry out material testing and quality control at all stages of civil works, including modification, strengthening, repair, and restoration of foundations.
- The scope shall include, but not be limited to, the following:

(a) Testing Construction Materials

- All materials used in civil works shall be tested in laboratories approved by the Government authorities/ NABL accredited laboratories. Testing shall include:
- Cement testing (grade, fineness, setting time, strength).
- Aggregate testing (gradation, impact value, crushing value, water absorption)
- Reinforcement steel testing (yield strength, elongation, bend test)
- Concrete testing (slump test, compressive strength)
- Epoxy flooring material testing (bond strength, thickness, finish)
- Structural steel testing (chemical and mechanical properties)

(b) Concrete Quality Testing

- Slump test for workability at the site
- Cube compressive strength test at 7 days and 28 days
- Core testing (if required by authority)
- Non-destructive testing (Rebound hammer / Ultrasonic pulse velocity) where strengthening or repair is carried out.

(c) Existing Foundation Integrity Testing

- Where modification or strengthening is undertaken, the Successful Bidder shall conduct:
 - Structural integrity assessment of existing concrete
 - Non-destructive testing of existing RCC
 - Load-bearing verification where required
 - Crack mapping and repair verification

(d) Compaction and Sub-base Testing

- Field density test (sand replacement/core cutter)
- Plate load test if required
- Compaction verification for backfilled areas.

(e) Testing Frequency

- Testing frequency shall comply with:
- Relevant IS Codes
- CPWD specifications
- MoRTH standards (where applicable)
- Directions of Procuring Authority / Engineer-in-Charge.

(f) Submission of Test Reports

- The Successful Bidder shall submit:
- Certified laboratory test reports
- Material inspection records
- Concrete test registers
- Quality control documentation
- All reports shall be submitted prior to commissioning the equipment.

(g) Cost of Testing

- All costs related to sampling, testing, transportation, and certification of materials shall be borne by the Successful Bidder and deemed included in the contract price.

(h) Rejection of Non-Compliant Material

- Any material or work not conforming to required specifications shall be rejected and replaced by the Successful Bidder at no additional cost.

(i) Third Party Quality Audit

- The Procuring Authority reserves the right to appoint an independent third-party agency to verify material quality and structural adequacy at any stage of execution.

2. Product Availability and Support Condition

- The bidder shall ensure that the *Vehicle Testing Equipment and Necessary Utilities for the Automated Testing Facility* offered in response to this tender are not classified as “End-of-Life” (EOL) or “End-of-Sale” (EOS) as of the date of bid submission.
- If, for any reason whatsoever, support, availability, or manufacturing of the quoted product is discontinued, withdrawn, or declared obsolete prior to delivery or commissioning, the bidder shall, without any additional cost to the Purchaser, furnish and supply a replacement product that is a superior or equivalent alternative. Such replacement product shall conform to or exceed all original technical specifications, quality standards, and functional requirements as outlined in the tender document.
- The bidder shall furnish a formal declaration undertaking to provide spare parts and requisite service support for a minimum period of *Three (3) Years under CAMC* following the expiry of the warranty period.

- The bidder shall ensure that the provision of such replacement product and the continued support obligations shall not cause any disruption, delay, or compromise to the Purchaser's operational requirements or intended use of the equipment.
- Failure to comply with the foregoing conditions shall be construed as a material breach of contract, entitling the Purchaser to exercise all available remedies, including but not limited to rejection of the bid, cancellation of the contract, or enforcement of penalties in accordance with the terms and conditions of the tender.

Annexure - B

बोलीदाताओं के लिए निर्देश / Instructions to Bidders

- 1. Submission of Quotation and Technical Documentation:** The Bidder shall submit a complete and comprehensive quotation in strict conformity with the detailed technical specifications of *Supply, Installation, Commissioning, and Training of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility and Comprehensive Annual Maintenance Contract (CAMC) for Vehicle Testing Equipment and IT & other equipment for 3 years post warranty at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam* as specified in "*Annexure - A*" of the *Additional Terms and Conditions (ATC) document*. The submission must encompass both the technical and financial proposals, duly separated and prepared in accordance with the requirements and formats prescribed in the tender documents. The technical bid shall include all requisite technical documentation, specifications, detailed drawings, product literature, and any other supporting information necessary to demonstrate full compliance with the tender specifications. Non-compliance with the stipulated submission requirements or failure to provide the requisite technical and financial details may result in rejection of the bid at the sole discretion of the Purchaser.
- 2. Site Visit:** Bidders are advised to visit and examine the site and its surroundings, with prior notice to NIAIMT, at their own cost. They shall obtain, on their own responsibility, all information necessary for preparing the tender and entering into the Contract. The bidder shall be deemed to have inspected the site and its surroundings in advance and to have taken into account all relevant factors pertaining to the site while preparing and submitting the tender. The bidder should coordinate with the designated representative of NIAIMT to schedule the site visit.

Address of the Site: National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) Vill. Jaffirbond, PO. Udharbond, Dist. Cachar, Assam, Pin- 788030

- 3. Proposal Submission Compliance and Documentation Requirements:** The Bidder is required to submit their proposal in strict compliance with all terms, conditions, and requirements outlined in this tender document. The technical bid must include comprehensive details of the proposed solution, including the products, services, specifications, and relevant technical literature clearly demonstrating conformance to the specified requirements. Failure to adhere to any of the above requirements may render the bid liable for rejection at the sole discretion of the Purchaser.
- 4. Submission of Signed Tender Documents and Supporting Documentation:** The Bidder shall submit, as part of their proposal, a duly signed and stamped copy of the entire tender document, including all corrigenda, amendments, and annexures issued, as a token of unconditional acceptance of all terms, conditions, and specifications contained therein.
Additionally, all forms, declarations, schedules, and annexures enclosed with the tender/bid document must be duly filled, signed, and stamped by the authorized signatory of the Bidder and submitted in accordance with the instructions provided.
The Bidder shall also furnish all supporting documents as specified in the tender, including those required under the eligibility criteria, technical specifications, and any other qualifying requirements. Failure to submit any of the required documents, or submission of incomplete, unsigned, or unstamped documents, may result in rejection of the bid at the sole discretion of the Purchaser.
It is the sole responsibility of the Bidder to ensure that the submitted bid is complete in all respects and compliant with the tender requirements. No claim shall be entertained on account of incomplete submission or non-compliance with the stated instructions.
- 5. Clarifications, Deviations, and Conditional Bids:** Bidders are strictly advised to submit their bids in full compliance with all terms, conditions, technical specifications, and requirements stipulated in this tender document. Conditional bids or bids containing deviations, exceptions, assumptions, or

qualifications shall be summarily rejected without further reference or clarification, at the sole discretion of the Purchaser.

Any suggestions, clarifications, or concerns regarding the tender terms and conditions must be formally raised by the Bidders only during the Pre-Bid Meeting. The Purchaser shall review such requests and reserves the absolute right to accept, modify, or reject any suggestion or concern, wholly or in part, without assigning any reason, and solely in the best interest of the Purchaser.

All clarifications, amendments, or modifications arising out of the Pre-Bid Meeting shall be published either as a Corrigendum and/or as the Minutes of the *Pre-Bid Meeting (MoM)* on the Purchaser's official website (www.niaimt.in) and on the *GeM Portal*. These shall form an integral part of the tender and shall be binding on all Bidders. No request for changes or deviations shall be entertained after the Pre-Bid stage.

6. Pre-Bid Meeting Conditions

6.1 Pre-Bid Meeting shall be held to address queries and provide clarifications regarding the scope of work, technical requirements, and the bid submission process.

- **Date & Time : As per GeM**
- **Venue: National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Vill. Jaffirbond, PO. Udharbond, Dist. Cachar, Assam, Pin- 788030**
- **Mode: Physical Meeting or Virtual**

All interested bidders are encouraged to attend the pre-bid meeting to seek necessary clarifications before submission of their bids.

6.2 Submission of Pre-Bid Queries

- Bidders are required to submit their queries, if any, in writing to sunil.bakshi@icat.in, aninda.paul@icat.in, amit.inc@icat.in
- **Queries should be submitted in the following format (Format XII):**

Sl. No.	Clause No.	Existing Provision	Query/Suggestion
---------	------------	--------------------	------------------

6.3 Clarifications and Amendments

- Clarifications and responses to the pre-bid queries shall be issued in the form of a Corrigendum/Addendum and uploaded on the *GeM Portal & NIAIMT Website*.
- The corrigendum shall form an integral part of the tender document and must be duly considered while submitting the final bid.

6.4 No Individual Communication

- No individual responses will be provided to bidders. All clarifications shall be shared only through official corrigenda.

6.5 Binding Clarifications Only Through Corrigendum

- Only clarifications provided through officially issued corrigenda shall be considered binding. Any verbal discussions or informal exchanges during the pre-bid meeting shall not be treated as official unless formally incorporated.

6.6 No Suggestions or Deviations Post Submission Deadline

- No suggestions, deviations, modifications, or requests for clarification shall be entertained after the bid submission deadline. Bidders are therefore advised to seek all necessary clarifications and raise concerns during the pre-bid period.

7. Earnest Money Deposit (EMD)

7.1 EMD Amount: Bidders are required to submit an *Earnest Money Deposit (EMD) of INR 7,00,000/- (Indian Rupees Seven Lakh Only)* along with their bid. The EMD shall be submitted through the mode specified in the GeM portal or as otherwise prescribed in the tender document.

7.2 Exemption for MSEs/Startups: As per the guidelines issued by the Ministry of Micro, Small and Medium Enterprises and the Department for Promotion of Industry and Internal Trade (DPIIT),

Government of India, Micro and Small Enterprises (MSEs) and recognized Startups are exempted from payment of EMD, subject to submission of the following

- Valid supporting documents such as Udyam Registration Certificate (for MSEs) or Startup Recognition Certificate issued by DPIIT.
- A duly signed Declaration/Undertaking in lieu of EMD in the prescribed format **“Form-IV”** provided in the Additional Terms and Conditions (ATC) document.

7.3 Bid Rejection in Absence of EMD/Declaration

- Bids submitted without the requisite EMD or valid exemption documents or a duly signed Declaration/Undertaking in lieu of EMD in the prescribed format **“Form-IV”** shall be summarily rejected as non-responsive.
- Submission of incorrect, expired, or manipulated exemption certificates may lead to disqualification and blacklisting as per applicable procurement rules.

7.4 Forfeiture of EMD: The EMD shall be liable to forfeiture in the following cases

- If the bidder withdraws or modifies the bid during the bid validity period.
- In case of any false declaration or non-compliance with tender terms.
- If the successful bidder fails to sign the contract or submit the required Performance Security within the stipulated time.

7.5 **Refund of EMD:** EMD's of unsuccessful bidders shall be refunded without interest after finalization of the contract. For the successful bidder, EMD may be adjusted against the Performance Security, if applicable.

8. Submission of Bids

Bidders are required to submit their bids in **two separate parts** as detailed below:

- **Part I - Technical Bid:** This shall include all relevant documents and information demonstrating the bidder's compliance with the technical requirements and eligibility criteria as outlined in the **tender document**. *Bidders must not divulge the price of the tendered item in the technical bid. Violation of the same may lead to rejection of the bid.*
- **Part II - Financial Bid:** This shall contain the price proposal strictly in the format prescribed in the tender document.

Both parts must be submitted separately as specified in the e-tendering or GeM platform.

9. Evaluation Process

- **Stage 1 - Technical Evaluation:** The Technical Bids shall be opened and evaluated first. Only those bidders who meet all mandatory requirements and obtain the minimum qualifying marks, including full marks in technical capability (as applicable), shall be deemed technically qualified.
- **Stage 2 - Financial Evaluation:** The Financial Bids of only the technically qualified bidders will be opened and considered for further evaluation. Financial Bids of bidders who fail to qualify in the technical stage shall be returned unopened or disqualified from further consideration.

10. **Availability of Tender Documents and Corrigendum:** Prospective Bidders are advised to regularly visit the official website of the National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) at www.niaimt.in and/or the **Government e-Marketplace (GeM) portal** for downloading the complete Tender Document, including all instructions, terms, specifications, and any corrigendum, amendment, clarification, or notification issued in connection with this Tender.

It shall be the sole responsibility of the Bidder to ensure that they have the latest version of the Tender Document and are fully aware of all updates, revisions, or corrigenda issued prior to the bid submission deadline. NIAIMT shall bear no responsibility or liability for any oversight or failure on the part of the Bidder to obtain such information from the aforementioned platforms.

Annexure - C

बयाना राशि जमा (ईएमडी खंड) / Earnest Money Deposit (EMD Clause)

Earnest Money Deposit (EMD): *INR 7,00,000/- (Rupees Seven Lakh Only)* can be submitted in form of NEFT/RTGS/FDR/DD/Bank Guarantee/Banker's Cheque drawn in favour of "National Institute for Automotive Inspection, Maintenance and Training (NIAIMT)", payable at Silchar valid for at least six months from any branch of Delhi/NCR of Indian scheduled Bank or **Online through RTGS/NEFT/Internet Banking** in Beneficiary Name "National Institute for Automotive Inspection, Maintenance and Training (NIAIMT)".

Or

Firms that are registered as Micro or Small Enterprises (MSEs) under the provisions of the Public Procurement Policy for MSEs, 2012, issued by the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, or those recognized as Startups by DPIIT, or are registered with the Central Purchase Organization (e.g., NSIC) or the concerned Ministry/Department for the tendered item, shall be exempted from submission of Earnest Money Deposit (EMD), subject to the following conditions:

- A valid registration certificate clearly indicating coverage for the tendered item must be submitted along with the Technical Bid.
- The registration certificate should remain valid for a minimum of six (6) months from the last date of bid submission.
- Exemption shall be granted only for procurement of goods/services directly covered under the registration.

Note: The exemption shall not apply to traders, agents, dealers, distributors, or firms engaged in works contracts, even if they are registered under MSME or NSIC.

Or

In place of a Bid security, Bidders can submit Bid securing declaration as per "Form IV" accepting that if they withdraw or modify their Bids during the period of validity, or if they are awarded the contract and they fail to sign the contract, or to submit a performance security before the deadline defined in the request for bids document, they will be suspended for the period of 1 year from the date of opening of this bid from being eligible to submit Bids for contracts with the NIAIMT that invited the Bid.

NIAIMT Bank Details for NEFT/RTGS (in case any bidder deposits the EMD of INR 7,00,000/- through NEFT/RTGS)

Bank Details (Saving A/c for transactions in INR Only); -

Beneficiary Name	NATIONAL INSTITUTE FOR AUTOMOTIVE INSPECTION MAINTENANCE AND TRAINING
Bank Name	ICICI BANK
Branch	SILCHAR UKD ROAD BRANCH
Account No.	252401001582
Account Type	SAVINGS
RTGS IFSC Code	ICIC0002524
Swift Code	ICICINBBNRI
MICR Code	788229003

Proof of payment shall be submitted online on the GeM portal & original NEFT/RTGS/FDR/DD/Bank Guarantee/Banker's Cheque should reach at "To, The Purchase Department, National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Vill. Jaffirbond, PO. Udharbond, Dist. Cachar, Assam, Pin- 788030.

Key Note's

- EMD shall be exempted to Micro & Small Enterprises registered for the tendered items/as per the latest Govt. of India guidelines. MSME/Start-up Policy is meant for procurement of only goods produced and services rendered by MSE's. However, traders/distributors/sole agent/works contracts are excluded from the purview of Public Procurement Policy for MSEs Order, 2012. The bidders claiming the preference must submit the relevant document (The certificate should be valid for at least 6 months from the date of submission of bids).
- The bid received without EMD/Documentary proof of Exemption of EMD, will be summarily rejected.
- Cheque/Money Order/Cash shall not be accepted as EMD.
- A bid will be rejected if EMD is found to be lesser amount or EMD is not submitted in the manner prescribed.
- A bid which is not accompanied by such Earnest Money Deposit or Non-Submission of Bid Security Declaration Form **"Form IV"** will be construed as non-compliant bid and should be rejected.
- The Earnest Money Deposit (EMD) of the unsuccessful bidder will be returned to them within 30 days after finalization and award of the tender without any interest. The Earnest Money Deposit of the successful Bidder will be returned upon the successful Bidder furnishing the Performance Bank Guarantee.

EMD should be forfeited in favor of NIAIMT in case the Bidder: -

- The EMD may be forfeited, if a Bidder withdraws his bid during the period of bid validity or on submission of false documents/undertaking.
- Without the written consent of NIAIMT, it has withdrawn its Bid during the validity period of the Bids and any extensions thereto.
- After opening of the financial bid, alters the quoted rates/conditions in the Bid.
- Fails to provide /furnish the Performance Bank Guarantee within stipulated period mentioned in the Letter of Acceptance.
- Does not reply to any queries that may be raised after opening of technical/financial bids.
- If the bidder does not accept the corrections made by NIAIMT to its Bid Price pursuant to "Examination of Financial Proposal and Correction of Arithmetical Errors".

Annexure D

पात्रता एवं तकनीकी मूल्यांकन मानदंड / Eligibility & Technical Evaluation Criteria

Part - I (Pre-Qualification/Minimum Eligibility Criteria)

Eligibility Criteria: The following mentions the pre-qualification criteria. A bidder participating in the procurement process shall possess the following pre-qualification/minimum eligibility criteria: Any bid failing to meet the stated criteria shall be summarily rejected and will not be considered for technical evaluation.

Pre-qualification/Minimum Eligibility Criteria for the Bidders:

1. **Legal Valid Entity:** The Bidder must be a legally recognized entity under applicable Indian laws and shall be eligible to participate in the tender in any of the following forms: Proprietorship Firm, Partnership Firm, Private Limited Company, or Registered Agency.

To establish legal status and eligibility, the Bidder shall mandatorily submit documentary evidence of their legal constitution along with the Technical Bid, as specified below:

- **Proprietorship Firm:** A copy of the valid registration certificate, trade license, or any equivalent document issued by a competent authority clearly indicating the establishment and legal existence of the firm.
- **Partnership Firm:** A copy of the duly executed Partnership Deed along with the firm's registration certificate issued by the Registrar of Firms (if applicable under the Partnership Act, 1932).
- **Private Limited Company:** A copy of the Certificate of Incorporation issued by the Registrar of Companies (RoC), along with the Memorandum of Association (MoA) and Articles of Association (AoA), duly certified by an authorized signatory.

Failure to submit any of the above documents as applicable to the nature of the bidding entity may render the bid liable for rejection at the sole discretion of the Purchaser. All documents shall be self-attested and submitted as part of the Technical Bid.

2. **Mandatory Submission of Comprehensive Proposal:** It shall be a mandatory pre-qualification requirement that all Bidders submit a complete and comprehensive proposal covering the entire scope of supply, services, and deliverables as specified in the Tender Documents, including but not limited to all items, components, and associated works listed in the Bill of Quantity (BoQ), Scope of Work (SoW), Technical Specifications, and Additional Terms and Conditions (ATC).

Submission of an incomplete or partial bid, including but not limited to omission of any item, sub-item, or service from the proposal, shall be treated as non-compliance with the tender specifications and shall result in outright rejection of the bid without further consideration or evaluation.

Bidders are advised to thoroughly review all tender documentation and ensure that their technical and financial proposals fully comply with the requirements stated therein. No relaxation, clarification, or opportunity for rectification shall be provided in cases of non-compliance with this condition.

3. Bidder Eligibility - OEM or Authorized Channel Partner

The Bidder must be either:

- Bidder should be an OEM/ Exclusive Distributor of OEM of vehicle Testing equipment
- Bidder must have office in India.

3.1 In case the Bidder is an Authorized Channel Partner

- The Bidder shall submit a valid and current Authorization Certificate issued by the OEM, explicitly authorizing the Bidder to quote, supply, install, and provide after-sales support for the quoted equipment under this tender.
- The Authorization Certificate shall be submitted in the prescribed format annexed as **"Form VII"** in the tender document and must be duly signed and stamped by an authorized signatory of the OEM.

- Bids submitted without the required Authorization Certificate in the specified format shall be considered non-compliant and shall be rejected without further evaluation.

3.2 In case the Bidder is the OEM

- The Bidder shall submit a self-declaration or certificate confirming their status as the Original Equipment Manufacturer (OEM) of the quoted product.
- This declaration must be furnished on the OEM's official letterhead and signed by an authorized representative of the organization.
- Failure to submit the applicable certification or declaration as outlined above shall render the bid technically non-responsive, and such bids shall be summarily rejected.

4. **Financial Eligibility - Average Annual Turnover:** The Bidder must have achieved an average annual turnover of not less than **INR 10 Crores (Rupees Ten Crores Only)** during the **last three (3) consecutive financial years**, namely **FY 2022-23, FY 2023-24, and FY 2024-25**.

Documentary Evidence Required: To substantiate the above, the Bidder shall submit any of the following documents as part of the Technical Bid.

- A certificate from a Chartered Accountant (**Form XVI**), clearly certifying the annual turnover for each of the above-mentioned financial years, **or**
- A copy of the Audited Balance Sheet and Profit & Loss Account for each of the three financial years, duly certified by a Chartered Accountant or Statutory Auditor, **or**

Mandatory Disclosures:

- Full contact details of the Chartered Accountant or Statutory Auditor who has certified the document, including Name, Designation, Firm Name, Email ID, Contact Number.
- The UDIN (Unique Document Identification Number), as issued by the Institute of Chartered Accountants of India (ICAI), must be clearly visible on all CA-certified documents and balance sheets.

Non-Compliance: Failure to submit the required financial documentation in the prescribed format, or failure to mention the CA/Auditor's contact details and UDIN, shall render the bid technically non-responsive and liable for rejection without any further evaluation.

5. **Technical Experience - Minimum Work Experience Requirement:** The Bidder must have a minimum **Three (3) years of experience** as on the date of bid submission in executing **work of similar nature**, as defined below. Herein, Similar Works refers to Supply of major Vehicle Testing equipment i.e., Roller Brake Tester Speedometer, Suspension Tester, Side Slip Tester and Joint play Tester. The bidder should have experience in supply & installation of at least 10 vehicle test lane in India or globally during last 5 years and out of that 10 Vehicle test lanes, at least 5 vehicle test lanes must have in operation for more than 6 month in last 1 year from the date of publication of this tender.

6. **Prior Experience:** Explained in the Technical Experience at Point 5 above.

Eligible Clients: Such facilities should have been supplied and commissioned for one or more of the following types of entities

- **Central Government Ministries/Departments**
- **State Government Departments**
- **Public Sector Undertakings (PSUs)**
- **Autonomous Bodies/Institutions**
- **Government-funded R&D Organizations**
- **Govt authorized automated testing stations**
- **Reputed Private Sector Companies operating in relevant fields (Herein, relevant fields refer to Supply of major Vehicle Testing equipment i.e., Roller Brake Tester, Speedometer, Suspension Tester, Side Slip Tester and Joint play Tester).**

The Bidder shall provide the following documents in support of meeting this criterion:

- Copies of Purchase Orders/Work Orders issued by Government Departments, PSUs, Research Institutions, or reputed Private Sector Organizations/ Govt authorized automated testing stations
 - i. clearly indicating the scope of work, nature of equipment supplied, and year of execution.
 - ii. Corresponding Completion Certificates or Client Performance Certificates issued by the end-user.
 - iii. Declaration w.r.t. execution of atleast 5 vehicle test lanes which must have in operation for more than 6 month in last 1 year from the date of publication of this tender.
 - iv. A detailed statement summarizing past projects executed in the last 5 years, including:
 - Name of Client
 - Equipment Supplied
 - Year of Completion
 - Contact Details of Client (for verification, if required)

Failure to demonstrate relevant experience of at least five (5) years in similar nature of work shall render the bid technically non-responsive and liable for rejection.

7. **Local Presence:** The Bidder must be an entity based and registered in India, possessing a valid legal status under applicable Indian laws and regulations.
8. **Blacklisting Declaration:** The Bidder shall not be currently blacklisted, debarred, or suspended by any Ministry or Department of the Government of India, any State Government, Public Sector Undertaking (PSU), or any reputed private organization or institution within India. A self-declaration to this effect, duly signed by the authorized signatory on the Bidder's official letterhead, must be submitted along with the tender documents. Any concealment or misrepresentation of such information shall result in disqualification and potential legal action as per applicable laws.
9. **Service Support Facility:** The Bidder must maintain a fully operational service support facility within India, capable of providing prompt and effective maintenance and repair services for the equipments and allied components during the warranty period/CAMC and subsequent post-CAMC period. The Bidder shall submit a formal declaration on its official letterhead, affirming the availability of such service support infrastructure within India, including details of the location(s), technical manpower, and spare parts availability to ensure minimal downtime in case of any equipment breakdown.

Bidders to Comply with:

10. Rule 144(xi) of GFR 2017 regarding restrictions on procurement from a bidder of a country that shares a land border with India will be liable to rejection (refer to the to the Office Memorandum of the Department of Expenditure dated July 23, 2020, and as revised from time to time at <https://doe.gov.in/sites/default/files/OM%20dated%2023.07.2020.pdf>). a) If applicable, a certificate of compliance regarding this order shall be submitted by bidder along with technical bid. b) The Sole Bidder/ Lead Bidder shall submit the declaration duly notarized about the country of origin for the quoted Equipment in Bid.
11. Department of Industrial Policy and Promotion (DIPP) vide No. P-45021/2/2017-PP (BE-II) dated 04.06.2020 and as revised from time to time regarding bidders eligibility and preference to make in India (<https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>).

Similar Nature Definition: For the purposes of this tender, the term "Similar Nature" shall mean the successful supply, installation and commissioning of an Automated Testing Lane including Roller Brake Tester, Speedometer test, Speed Governor Test, Suspension Tester, Side Slip Tester and Joint & steering play Tester.

To qualify as "Similar Nature," such equipment must have been supplied, installed, and commissioned for any of the following entities within the territory of India:

- Departments or Ministries of the Government of India

- State Government Departments
- Public Sector Undertakings (PSUs)
- Automobile Industry
- Any reputed private organization or institution

Part - II (Technical Bid Evaluation Parameters)

Bid Evaluation - Eligibility for Technical Assessment: The Bidder shall mandatorily comply with all the *Pre-Qualification/Minimum Eligibility Criteria* as specified in "**Annexure-D**" of this tender document. Only those Bidders who are found to be fully compliant with the *Pre-Qualification/Minimum Eligibility Criteria*, upon detailed scrutiny of the submitted documentation, shall be considered eligible for Technical Bid Evaluation.

Any Bidder failing to meet the stipulated criteria in "**Annexure-D**" shall be disqualified from further evaluation, and their Financial Bids shall not be opened or considered under any circumstances. The decision of the Purchaser in this regard shall be final and binding, without any obligation to provide justification or entertain representations.

Technical Bid Evaluation Parameters

1.1 NIAIMT shall follow segregated bid submission evaluation system. The minimum pass mark in technical bid shall be **80 Points (80%) out of 100 Points**. Bidders, who gets cut-off marks, will be qualified for next part of evaluation i.e. financial part.

1.2 The Technical Bids shall be awarded points based on the following evaluation criteria:

Evaluation Parameter	Details	Marks
Equipment Specifications	Technical Specifications/Requirements offered against the requirements spelt out in this tender	55
Service Support	Local Support (Assam) Within Assam - 4 Marks Outside Assam & Within India - 2 Marks	4
	Response Time (In Hours) <24 Hours - 2 Marks >24 Hours & < 48 hours - 1 Marks	2
Bidder's Past Experience	Same/Similar Nature Project (In Last 5 Years before bid submission) 10 Project - 5 Marks 10-15 Projects - 6 Marks More Than 15 Projects - 8 Marks	8
	Experience (Nos. of Year) 3 Years (Minimum) - 6 Marks > 3 Up To 5 Years - 7 Marks More Than 5 Years - 8 Marks	8
Bidder's Capability	Financial Capability	
	Average Annual Turnover of 10 Crores in the Past 3 FY: 2022-23, 2023-24 & 2024-25 10 Crores (Minimum) - 5 Marks > 10 Crores up to 15 Crores - 8 Marks More Than 15 Crores - 10 Marks	10
	Technical Capability	
	Project/Work Implementation Plan (Week-wise)	3
	Utility Matrix (To gauge the bidder's preparedness, infrastructure alignment, and ability to meet project requirements) & Equipment Footprint	3
	Team Structure (Organogram/Hierarchy Chart)	1

Bidder's Capability	ISO Certification (QMS)	1
Positive Customer Feedback	Minimum 1 Nos - 2 Marks >1 up to 2 - 3 Marks More Than 2 - 5 Marks	5
Total Marks		100

Evaluation Criteria and Preference Policy:

1. Technical Evaluation Threshold - Mandatory Compliance

- Bidders must secure a **minimum of 80 out of 100 points** in the **Technical Specifications Evaluation** section. This is a **mandatory qualifying criterion**; failure to achieve the full technical specification score will result in **immediate disqualification**, irrespective of the total overall score.

2. Overall Evaluation Threshold: To qualify for financial bid opening, bidders must obtain a minimum of **80 out of 100 points (80%)** in the overall evaluation. This includes scores from technical specifications, company credentials, past performance, and other evaluation parameters as outlined in the tender document.

3. Preference to Local Suppliers under Public Procurement Policy

- NIAIMT reserves the right to extend **purchase preference to local suppliers** in accordance with the provisions of the **Public Procurement (Preference to Make in India), Order 2017**, issued by the **Department for Promotion of Industry and Internal Trade (DPIIT)**, Ministry of Commerce and Industry, Government of India, vide Order No. **P-45021/2/2017-PP (BE-II)** dated **04.06.2020**, and any subsequent amendments thereto.
- For detailed guidelines, bidders may refer to the DPIIT policy document available at: <https://dpiit.gov.in/sites/default/files/PPP%20MII%20Order%20dated%204th%20June%202020.pdf>
- Bidders seeking such preference must submit the requisite **self-declaration and certification** documents as per the DPIIT guidelines along with their Technical Bid.

4. Purchase Preference for MSEs and Startups: In accordance with the provisions of the Public Procurement Policy for Micro and Small Enterprises (MSEs), 2012 and the relevant guidelines issued by the Ministry of Micro, Small and Medium Enterprises (MSME), as well as Startup India Policy.

- **Preference as per Government Policy:** NIAIMT reserves the right to extend preference to Local Suppliers, Micro and Small Enterprises (MSE's), and Startups, in accordance with the applicable guidelines, circulars, and notifications issued by the Government of India, as amended from time to time. Such preference shall be accorded only upon submission of valid, relevant, and verifiable supporting documents along with the bid. Failure to provide the required documentation shall result in ineligibility for any preferential treatment.
- **Applicability of MSE Public Procurement Policy:** In accordance with the Public Procurement Policy for Micro and Small Enterprises (MSE's) Order, 2012, as amended, the benefits under this policy shall apply exclusively to goods manufactured or services rendered by registered MSE's. Entities operating solely as traders, distributors, marketing agents, or engaged under works contracts are expressly excluded from the scope and benefits of this policy.
- **Relaxation of Prior Turnover and Experience Requirements:** NIAIMT, at its sole discretion, may relax the requirements of prior turnover and prior experience for start-up enterprises recognized by the Department for Promotion of Industry and Internal Trade (DPIIT), provided that such entities fully comply with all quality standards, technical specifications, and performance criteria as specified in the tender documents. Such start-ups may be MSMEs or otherwise. Only registered Micro and Small Enterprises (MSEs) and DPIIT-recognized start-ups shall be considered for relaxation under this provision. Any such relaxation shall be strictly conditional upon the enterprise's demonstrated capability to meet all functional, operational, and contractual requirements of the tender. This relaxation shall be applied in

accordance with the provisions of applicable government policies and shall not compromise adherence to the tender's prescribed technical, quality, or performance requirements. NIAIMT decision in this regard shall be final and binding.

- **Purchase Preference:** If an MSE or eligible Startup bidder quotes within L1 + 15% price range and agrees to match the L1 price, the order for up to 25% of the total tendered quantity may be awarded to such MSE/Startup, as per the policy provisions.

Annexure - E

निविदा अस्वीकृति मानदंड / Bid Rejection Criteria

Bids submitted in response to this tender shall be liable for outright rejection and shall not be considered for further evaluation under any of the following circumstances:

1. Non-Compliance with Bid Security Requirements

- Submission of bid without the required Earnest Money Deposit (EMD), or
- Non-submission of the Bid Security Declaration Form (**Form IV**), or
- Non-submission of valid Udyam Registration Certificate (for MSEs) or a DPIIT recognition certificate (for Startups) along with the bid.

2. Financial Turnover Below Threshold: Bidders must have an average annual turnover of not less than **INR 10 Crores** during the three most recent financial years (**FY 2022-23, 2023-24, and 2024-25**). Failure to submit audited financial statements or turnover certificates certified by a Chartered Accountant (CA) for these years shall result in disqualification.

3. Non-Submission of Statutory Registrations: Bidders failing to submit valid copies of **their GST registration certificate and Permanent Account Number (PAN)** shall be deemed non-compliant.

4. Unsatisfactory Client References: If even one reference provided by the bidder is found to be unsatisfactory, the bidder shall be disqualified. Internal references obtained from **NAB or its associated centres** may also be considered valid for disqualification purposes, regardless of whether they are formally submitted with the bid.

5. Conditional or Deviated Bids: Any bid containing deviations, conditions, or modifications to the tender terms and conditions shall be summarily rejected.

6. Incomplete Bid Submission: It is a mandatory requirement that bidders submit comprehensive proposals covering all items listed in the tender. Any incomplete bid, including failure to quote for any item or component, shall be treated as non-compliant. Such bids shall be rejected without further correspondence, and the bidder shall be disqualified from the evaluation process.

7. Segregated Bidding Process and Rejection of Non-Compliant Submissions: Bids under this Tender shall be submitted through the GeM Portal under a Segregated Bidding Process, comprising separate Technical and Financial Bids, as prescribed in the Tender Document and as per GeM guidelines. The Technical Bid shall contain only technical information and supporting documentation, with no reference to prices or commercial terms. Submission of any price details, financial information, or commercial quotation within the Technical Bid, either directly or indirectly, on the GeM Portal shall constitute a material deviation and result in summary rejection of the bid without further evaluation. Such non-compliance shall render the bidder ineligible for consideration under this Tender, and the decision of the Procuring Entity / Evaluation Committee in this regard shall be final, conclusive, and binding, with no correspondence entertained thereafter.

8. Non-Compliance with Pre-Qualification/Minimum Eligibility Criteria: Failure to satisfy any single condition under the "**Pre-qualification/Minimum Eligibility Criteria**" section shall result in the immediate disqualification of the bid from the tender process.

9. IP Address Duplication on GeM Portal: The Government e-Marketplace (GeM) portal tracks and displays the IP addresses used by Buyers and Bidders/Sellers. Bids submitted from identical or shared IP addresses across different bidders/sellers shall be considered suspicious and will be automatically disqualified from further evaluation.

- 10. Bid Rigging and Conflict of Interest:** *The Purchaser reserves the right to reject any bid or disqualify any bidder from the tendering process at any stage if, in the opinion of the Purchaser, there is sufficient evidence to conclude that:*
- **Bid Rigging:** *The Bidder has engaged in any form of collusive bidding, bid rigging, cartel formation, or anti-competitive practices, whether directly or indirectly, with other bidders in order to influence the outcome of the bidding process. Such practices shall include but are not limited to: Sharing of bid prices or commercial terms prior to bid submission or Agreement among bidders not to compete or to submit complementary bids or Coordinated bid withdrawals or bid rotation schemes.*
 - **Conflict of Interest: A Conflict of Interest exists or is reasonably deemed to exist if**
 - *The Bidder or any of its associated entities, subsidiaries, or affiliates has a direct or indirect relationship with another bidder participating in the same tender, which could compromise the integrity or fairness of the procurement process.*
 - *The Bidder has a relationship with any official, employee, or representative of the Purchaser who is directly or indirectly involved in the tender evaluation or award process.*
 - *The Bidder uses resources, infrastructure, or personnel that are also engaged in preparing or influencing another competing bid in this tender.*
 - **Declaration of Integrity:** *All Bidders shall submit a duly signed Declaration of Non-Collusion and Conflict of Interest in the format prescribed in the tender. Any failure to submit this declaration or submission of a false declaration shall lead to immediate disqualification and may result in blacklisting or legal action, as deemed appropriate by the Purchaser.*
- 11. Declaration of Integrity:** *All Bidders shall submit a duly signed Declaration of Non-Collusion and Conflict of Interest in the format prescribed in the tender. Any failure to submit this declaration or submission of a false declaration shall lead to immediate disqualification and may result in blacklisting or legal action, as deemed appropriate by the Purchaser.*
- 12. Purchaser's Rights:** *The Purchaser shall have the sole discretion to determine whether a bid is non-compliant due to the reasons outlined above. In such cases, the Purchaser shall be under no obligation to inform the bidder of the grounds for disqualification or provide any further clarification. The decision of the Purchaser shall be final, binding, and non-contestable.*

Annexure - F

सामान्य नियम एवं शर्तें / General Terms & Conditions

1. **Scope of Supply/Work:** Supply, Installation, Commissioning, and Training of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility **and** Comprehensive Annual Maintenance Contract (CAMC) for Vehicle Testing Equipment and IT & other equipment for 3 years post warranty at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam" (As per technical specification and scope of work defined in "*Annexure - A*") Installed at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam.

2. **Notification of Buyer's Responsibilities:** The Successful Bidder shall, within *Fifteen (15) calendar days or earlier from the date of issuance of the Purchase Order (PO)*, be obligated to provide timely and advance written notification to the Purchaser specifying any requirements, materials, services, or facilities necessary for the installation, testing, and commissioning of the equipment and its allied components that fall outside the scope of the Successful Bidder's contractual obligations and are to be arranged by the Purchaser.

Such notification shall be made with sufficient lead time to enable the Purchaser to make the necessary arrangements without causing any delay to the project schedule. Failure to provide such timely notification shall not relieve the Successful Bidder of responsibility for any resultant delays or additional costs arising from such oversight.

3. **Delivery, Installation & Commissioning Schedule**

- **Delivery/Completion :** The successful bidder must deliver the complete equipments and allied components to the premises of the National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam and complete all activities related to installation, testing, and commissioning of the equipment and Civil work as per tender scope, within a period of *Ninety (90) Calendar Days* from the date of issuance of the GeM Contract/Purchase Order (PO).

Upon successful completion of the installation, testing, and commissioning, the *Final Acceptance Test (FAT)* shall be conducted in the presence of NIAIMT's authorized representatives. The *Final Acceptance Test (FAT)* shall be carried out strictly in accordance with the parameters and performance criteria outlined in "*Annexure - H*" of the tender documents.

The Final Acceptance shall be deemed completed only upon the satisfactory demonstration of the equipment's performance as per the prescribed standards and the formal issuance of the Final Acceptance Certificate by NIAIMT. No part of the equipment or services shall be considered accepted unless and until the Final Acceptance Certificate is duly issued by the Purchaser.

The date of issuance of the Final Acceptance Certificate shall be treated as the official date of final acceptance of the equipment and related services under the contract, from which the warranty and any applicable post-installation obligations shall commence.

Failure to complete the Delivery, Installation, Testing, Commissioning and Final Acceptance within the stipulated timeframe shall attract penalties or Liquidated Damages (LD), as defined elsewhere in the contract.

- **Time of Essence:** Time is the essence of this contract. The successful bidder shall strictly adhere to the above-mentioned schedule. Any delay beyond the stipulated timelines shall render the bidder liable for penalties, liquidated damages, or other remedies as specified under the terms

and conditions of the contract.

4. Liquidated Damages (LD)

4.1 Delay in Delivery / completion of Installation, Testing, and Commissioning and Civil works : The Supplier shall strictly adhere to the delivery/completion timelines as specified in the Purchase Order/Contract. In the event of any delay attributable to the Supplier, NIAIMT reserves the right to recover **Liquidated Damages (LD)** without prejudice to any other rights or remedies available under the contract or law.

4.2 Rate of Liquidated Damages (LD): Liquidated Damages shall be levied at the rate of 0.5% of the total contract value per week of delay attributable to the Supplier, subject to a maximum ceiling of 10% of the total contract value.

Note: Contract value is treated as total contract value excluding CAMC cost for the purpose of LD.

4.3 Applicability: Liquidated Damages shall apply in the event of any delay attributable to the Supplier, including but not limited to delay in delivery of the equipment at NIAIMT premises, delay in completion of installation, testing, and commissioning including civil work, or delay rectification of defects or deficiencies identified during the Pre-Delivery Inspection (PDI) or final acceptance tests.

4.4 Waiver of LD due to Force Majeure: No Liquidated Damages shall be levied for delays directly caused by events of Force Majeure, including, without limitation, acts of God, natural disasters, war, civil unrest, epidemics or pandemics, government restrictions, or any other circumstances beyond the reasonable control of the Supplier. To qualify for this waiver, the Supplier shall notify NIAIMT in writing *within 7 days* of the occurrence of such event and provide adequate evidence demonstrating that the delay was solely due to the Force Majeure event and could not have been avoided despite exercising reasonable care and diligence.

4.5 Recovery: NIAIMT shall have the right to deduct the LD amount from payments due to the Supplier, invoke Performance Bank Guarantee (PBG), or recover it through any other legal means, subject to the provisions of Force Majeure.

4.6 Cumulative Remedies: Recovery of LD shall be without prejudice to NIAIMT's other rights and remedies, including but not limited to termination of contract, withholding payments, or claiming damages for loss incurred due to delay.

5. PENALTY FOR DELAYED SERVICES / LATE DELIVERY

- a) NIAIMT reserves the right to terminate the contract in case the Successful Bidder fails to complete the said work in this ATC even after 270 days from the date of award of contract and forfeit the PBG.
- b) Incident wise penalties to be levied on successful bidder during operation of ATS as under:

Table A

Sr. No.	Deficiencies	Fine (in INR per day)			
		1st incident	2nd incident	3rd incident	4th incident onwards
1	Not updating the Software as per the directives of Authority for complying with the prevailing norms till concession period	2000	4000	8000	12000
2	Attempt to Change / unauthorized changes in test procedure (not align to the requirements of CMVR/ IS / AIS/ any related testing standards) /breach of contract or Event of malpractice/any information security breach/	INR 1 lakh/Termination on 1st incident INR 3 lakhs/Termination on 2nd incident As per the severity of incident NIAIMT can terminate the contract as per defined			

	unauthorized data leakage/ any discrepancy on Testing fee collection/ any additional fee charging from public without prior consent or approval from NIAIMT.	process through a committee constituted by NIAIMT.
3	Any discrepancy pointed out during the periodic audit and assessment, the same shall be rectified by the Successful Bidder within ten working days from the date of issuance of the audit and assessment report.	Rs. 5000/- (Five Thousand only) per day.

- c) Such penalty amount will be deducted from Performance Bank Guarantee or from amount due to the Successful Bidder against any payment; or the Successful Bidder shall be required to pay such amount separately in the form and manner as directed by NIAIMT.

6. SERVICE SUPPORT AND STOPPAGE OF SERVICE

- (a) The Bidder is expected to supply and install equipment which has capability to perform at a throughput efficiency of typically six vehicles per hour for Heavy Commercial Lanes and ten vehicles per hour for Light commercial Lanes capable of 24x7 operations. These are the expected no. of vehicles that can be taken for testing in the LD & HD lanes respectively.
- (b) The Successful Bidder is required to have a service support set up in India.
- (c) The Successful Bidder shall make an automated system of reporting, recording and rectification of the breakdown.
- (d) If any Testing Equipment, IT system, or utility in a test lane breakdown during operation and same is reported to the successful bidder through email/ any defined support procedure by bidder, the successful bidder shall be liable to visit the site and rectify the breakdown of the equipment. The rectification of the breakdown should be done within 96 Hrs (including non-office working hours), failing to do so a penalty for each non-working day for each test lane shall be levied to the successful bidder as given below:
- For each non-working single lane of LMV (Per Shift): INR 48000 (Forty-Eight Thousand Rupees)
 - For each non-working single lane of MMV/HMV lane (Per Shift): INR 48000 (Forty-Eight Thousand Rupees)

The penalty amount shall be forfeited from any outstanding due to the selected bidder or forfeited from PBG.

7. Warranty Condition

- 7.1 Warranty Period:** The Supplier/Bidder shall provide a comprehensive warranty for complete scope of tender for a period of *Twenty-Four (24) Months* from the date of successful commissioning and acceptance by NIAIMT.
- 7.2 Scope of Warranty:** During the warranty period, the Supplier shall, at no additional cost to NIAIMT, be fully responsible for the repair, replacement, or rectification of any defects, faults, or malfunctions arising from defective design, materials, workmanship, or non-conformity with the specifications and performance requirements. All replaced parts shall be new, genuine, and of equivalent or higher quality.
- 7.3 Response and Resolution:** The Supplier shall respond to any warranty claim within 48 Hours of notification by NIAIMT and shall rectify the issue within a reasonable time frame, not exceeding 96 hours from the date of notification. In case of repeated failures or delays, NIAIMT reserves the right to engage an alternative vendor at the Supplier's cost, without prejudice to any other rights or remedies available to NIAIMT under the contract or law.
- 7.4 Warranty Exclusions:** The warranty shall not cover defects or damages arising from misuse, mishandling, unauthorized modifications, improper storage, natural calamities, or any conditions outside the Supplier's control.

- 7.5 **Warranty Obligations:** The Supplier shall maintain sufficient inventory of spare parts, technical documentation, and qualified personnel to ensure uninterrupted support throughout the warranty period. NIAIMT shall have the right to inspect the repaired or replaced equipment to verify compliance with the specifications.
- 7.6 **Failure to Comply:** Failure to comply with the warranty obligations may render the Supplier liable to penalties, invocation of performance guarantees, or other remedies as detailed in the tender terms and conditions.
- 7.7 **Effect on Other Rights:** The provision of warranty shall be in addition to and without prejudice to any other rights or remedies available to NIAIMT under the contract, applicable law, or general principles of commercial law.

8. COMPREHENSIVE WARRANTY

- (a) The Equipment Manufacturer of testing lane equipment shall submit an undertaking in **Form (H-1) of this ATC** that it shall provide Warranty services of its Equipment, utilities and IT Equipment uninterruptedly to NIAIMT for the period of 02 (Two) years from the date of final acceptance of the Equipment.
- (b) The Successful Bidder shall ensure 95% uptime of all equipment.

Definition of Uptime

Uptime (%) shall be calculated monthly using the following formula:

$$\text{Uptime (\%)} = \left(\frac{\text{Total Time (hours)} - \text{Downtime (hours)}}{\text{Total Time (hours)}} \right) \times 100$$

Where:

Total Time = 24 hours × number of days in the calendar month

Downtime = Duration for which any equipment, software, or system is inoperative and unable to deliver intended services

- (c) *Scheduled preventive maintenance (not exceeding 4 hours/month) with prior 24-hour notice and written approval from NIAIMT shall not be counted as downtime.*

(d) Monthly Reporting

The successful bidder shall:

- Submit a **Monthly Uptime Report** lane-wise and equipment-wise, certified by the in-charge officer at the ATS.
- Report shall include Downtime logs, reasons, rectification status, and preventive maintenance activities.

(e) Penalty for Non-Compliance

If the uptime falls below 95% in any given calendar month, the following penalties shall apply:

Uptime Achieved	Penalty Per Month Per Lane
95% and above	No penalty
90% to <95%	₹10,000
85% to <90%	₹25,000
80% to <85%	₹50,000
<80%	₹1,00,000 or termination warning

- (f) Repeated failure (more than 3 instances in a rolling 6-month period) shall result in issuance of Show

Cause Notice and may lead to termination of contract and forfeiture of Performance Bank Guarantee (PBG).

(g) Rectification Timeline

- i. All reported breakdowns must be rectified within **96 hours** from the time of intimation via email/SMS/official channel by NIAIMT. Failure to do so shall attract an additional penalty of **₹5,000 per day per test lane** beyond the 96-hour window.

(h) Right to Audit

NIAIMT reserves the right to:

- i. Conduct independent system health checks and audits.
- ii. Cross-verify uptime data through backend logs, IoT devices, and CCTV footage
- iii. The warranty shall cover all supplied equipment for each test lane, including but not limited to:
 - i. Roller Brake Tester
 - ii. Suspension Tester
 - iii. Speedometer Tester
 - iv. Sideslip Tester
 - v. Headlight Tester
 - vi. Axle Play Detector
 - vii. Steering Play Detector
 - viii. Exhaust Gas Analyzer (EGA)
 - ix. Opacimeter
 - x. Associated computers, consoles, software, electrical panels, cabling, and network hardware
 - xi. All utilities
 - xii. All IT Equipment

(i) The warranty shall include:

- i. Free replacement or repair of any part/component/software found defective due to design, manufacturing, or installation defects.
- ii. All labor, travel, consumables, and transport costs associated with repair or replacement during the warranty period.
- iii. Calibration and re-calibration services as per CMVR and MoRTH guidelines during the warranty period, at no extra cost.

(j) Service Level Agreement (SLA) During Warranty

- i. Response Time: Service engineer must respond within 24 hours of complaint logging.
- ii. Resolution Time: Any fault must be rectified within 72 hours (for IT equipment) and 96 hours (for all testing equipment/ Utilities)
- iii. Downtime Extension: For downtime exceeding 72 hours, the warranty shall be extended by 2 days for each day of delay.
- iv. Service Records: Detailed log of all service visits and corrective/preventive actions shall be maintained and submitted to NIAIMT.

(k) Preventive Maintenance

- i. Quarterly preventive maintenance must be carried out for all equipment.
- ii. Each maintenance visit shall include inspection, calibration check, firmware/software updates, and performance logging.
- iii. Reports must be acknowledged by the designated ATS authority.

(l) Software and Firmware Updates

- i. All software, firmware, and diagnostic tool updates released by the OEM during the warranty period shall be provided and installed free of cost.
- ii. No recurring or license fees shall be charged during the warranty period.

(m) Replacement Conditions

Equipment/components with more than 3 breakdowns in 6 months shall be deemed unreliable and replaced with new units of equivalent or higher specification.

(n) Spare Parts Availability

- i. The OEM shall guarantee availability of spare parts for a minimum of 10 years from the date of commissioning.
- ii. A spare parts list with pricing shall be provided at the time of commissioning.

(o) Insurance and Transit

All costs of removal, transport, and re-installation due to warranty repairs/replacements shall be borne by the Contractor.

(p) Any unresolved claims shall be recoverable from PBG.

(q) During warranty period, any preventive maintenance and / or repair for breakdown shall be carried out by the Successful Bidder at its own cost. No charge on this account (including cost of calibration, spare parts, wear parts, consumables to be changed during maintenance, travel and accommodation expenses, etc.) will be borne by NIAIMT.

(r) The preventive maintenance will be carried out by the Successful Bidder, at a frequency specified by the Equipment Manufacturer. At every three month, the Successful Bidder shall be required to inspect the equipment and submit a report on overall health & maintenance status of the equipment to NIAIMT. In case of non-compliance of this clause by the Successful Bidder, penalty shall be levied equivalent to 10% of the projected revenue from each defected test lane as penalty from any balance amount of the bidder till the compliance of this clause or may be deducted from Security deposit. In case preventive maintenance in not done by successful bidder for a consecutive period of two months, in addition to payment of penalty contract agreement shall be cancelled by NIAIMT.

(s) Spares, Consumables & Wear Parts: The Successful Bidder shall provide critical / essential spare parts and consumables at the ATS.

8.1 QA/QC DOCUMENT

The Bidder is required to establish QA/QC document for following operations:

- (i)** Test procedures for testing vehicles in the lane.
- (ii)** Calibration procedure and plan.
- (iii)** Maintenance procedure and plan.
- (iv)** Data Management (Data storage, mining, archiving, etc.) & Networking.
- (v)** Optimization for vehicle through-put, Plan a detail flow of the Testing process to be followed including customer handling process.
- (vi)** Test report customization and generation.
- (vii)** Interact with Vehicle operators for testing vehicles.
- (viii)** Check relevant documentation

9. Delivery, Packaging, and Insurance Instructions

9.1 Delivery Terms: The delivery of the equipment shall be on FOR (Free on Road) basis to the premises of the National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Assam. The successful bidder shall bear all risks, responsibilities, and costs associated with the transportation of the complete tender up to the designated delivery location at the NIAIMT project site.

9.2 Loading, Transportation, and Unloading: The successful bidder shall be solely responsible for the loading, transportation, unloading, and safe handling of the equipment at NIAIMT. All necessary manpower, tools, handling equipment, and resources required for these operations shall be arranged and borne by the bidder at no additional cost to NIAIMT.

- 9.3 Packaging:** The equipment shall be securely and adequately packed to prevent any damage, deterioration, or loss during transit, handling, and storage. Packaging shall conform to internationally accepted standards and best practices for heavy, sensitive, and precision equipment of this nature. Packing materials shall provide protection against moisture, dust, corrosion, mechanical shocks, and any other potential hazards associated with long-distance transportation. Packaging shall also be designed to facilitate safe and efficient handling during unloading and installation.
- 9.4 Marking and Labelling:** Each package shall be clearly and permanently marked with Consignee details, Purchase order/reference number, Package number, Handling instructions, and any other information necessary to ensure safe, accurate, and compliant transportation, handling, and storage.
- 9.5 Insurance:** The successful bidder shall arrange, maintain, and bear the full cost of comprehensive insurance coverage for the complete tender scope against loss or damage during transit, storage, and until final acceptance at NIAIMT Silchar premises. The insurance policy shall remain valid from the time of dispatch until the equipment is duly received, inspected, and accepted at the NIAIMT site.
- 9.6 Claims and Liability:** In the event of any loss, damage, or shortage during transit or unloading, the successful bidder shall be solely responsible for lodging claims with the carrier or insurance provider and for ensuring repair or replacement of the damaged equipment at no additional cost to NIAIMT. NIAIMT shall not be liable for any such loss or damage occurring prior to formal acceptance of the equipment.
- 9.7 Documentation:** The bidder shall provide all necessary documentation for shipment, packing, and insurance, including but not limited to Packing list, Insurance certificate, Bill of lading/airway bill, and any other documents required for smooth transportation, customs clearance, handling, and delivery at NIAIMT premises.

10. Assignment and Sub-Contracting

- The Successful Bidder shall not, without the prior written consent of the Procuring Entity, sublet, assign, transfer, delegate, or otherwise dispose of the Contract or any part thereof, or any rights, interests, benefits, or obligations arising therefrom, in any manner whatsoever.
- The Successful Bidder shall provide the Procuring Entity with prompt written notification of all subcontracts awarded under this Contract that were not disclosed in the original bid or contract documentation. Such notification shall not relieve or discharge the Successful Bidder from any liability, obligation, or responsibility under this Contract.
- Subcontracting shall be permitted solely for the procurement of bought-out items and incidental works or services directly related to the execution of the Contract. All subcontracted work shall be subject to the Successful Bidder's full responsibility and compliance with the terms, conditions, and obligations of this Contract. Subcontracting shall not be used as a means to circumvent or diminish the Successful Bidder's contractual responsibilities or performance obligations.
- Any assignment, subletting, or transfer of the Contract, or any part thereof, without the prior written approval of the Procuring Entity, shall be deemed a material breach of Contract. In the event of such unauthorized assignment or subcontracting, the Procuring Entity reserves the right to invoke any or all remedies available under the Contract and/or applicable law, including but not limited to termination of the Contract, forfeiture of performance guarantees, and claims for damages.

11. Pre-Delivery Inspection (PDI)

- 11.1 Arrangement of PDI:** Prior to the delivery of the equipment for *Automated Testing Lanes* along with all associated deliverables, the Successful Bidder shall arrange for a Pre-Delivery Inspection (PDI) to be conducted either at the Successful Bidder's site or at a mutually agreed location. The PDI shall be conducted strictly in accordance with the checklist provided in "*Annexure - G*" attached to the tender documents.

- 11.2 Notice for PDI:** The Successful Bidder shall provide the Purchaser with a written notice of at least *thirty (30) calendar days* prior to the scheduled date of the PDI to facilitate the participation of the Purchaser's authorized representatives.
- 11.3 Inspection and Testing:** During the PDI, the Purchaser or its authorized representatives shall have the right to inspect, test, and verify the performance and functionality of the equipments for Automated Testing Lanes. Should any discrepancies, defects, or non-conformities be identified, the Successful Bidder shall be obligated to rectify the same at its own cost and within a reasonable time frame prior to shipment.
- 11.4 Approval for Dispatch:** The Successful Bidder shall only be authorized to dispatch the equipment after successful completion of the PDI and upon receiving formal written approval from the Purchaser.
- 11.5 Postponement or Non-Attendance of PDI by Purchaser:** The Purchaser reserves the right to either forgo attendance at the PDI or request a postponement not exceeding fifteen (15) calendar days from the originally scheduled date, in order to enable its representatives to be present. Any such request for postponement shall be communicated in writing to the Successful Bidder at least fifteen (15) calendar days prior to the scheduled PDI.
- In the event of a postponement requested by the Purchaser, no penalties or liquidated damages shall be applicable to the Successful Bidder for such period.
 - Should the Purchaser notify the Successful Bidder of its intention not to attend the PDI within the stipulated timeframe, or fail to attend the rescheduled PDI, the Successful Bidder shall be entitled to proceed with the inspection independently as per the agreed schedule.
- 11.6 Validity of Inspection Documents:** In cases where the Purchaser elects not to attend the PDI or fails to attend the rescheduled PDI, the Certificate of Conformity and Acceptance Test Report, signed solely by the Successful Bidder's Quality Assurance (QA) representative, shall be deemed valid and binding with the same legal effect as if countersigned by the Purchaser.
- 11.7 Costs:** All expenses related to conducting the PDI, including but not limited to testing, inspection, logistics, and associated activities, shall be borne exclusively by the Successful Bidder. Additionally, any costs incurred by the Purchaser's representatives for travel, lodging, boarding, accommodation, and daily allowances shall be borne by the Purchaser.
- 12. Training Requirement Clause:** As an integral part of the scope of work for the *Automated Testing Station Lanes*, the Successful Bidder shall be responsible for providing comprehensive training to designated personnel of the NIAIMT, including the Technical and Maintenance teams, during the acceptance and commissioning phase of the equipment.
- The training shall be conducted exclusively at the Purchaser's facility and shall comprehensively cover the following areas, without limitation:**
- **Installation Procedures:** The Successful Bidder shall provide detailed and practical training to NIAIMT's Maintenance Team on the proper installation methodologies, protocols, and safety practices specific to the *Automated Testing Station Lanes*.
 - **Commissioning:** The Successful Bidder shall train both the Technical and Maintenance teams on the commissioning process to ensure the equipment's operational readiness, adherence to performance specifications, and compliance with applicable standards.
 - **Operational Training:** The Successful Bidder shall impart hands-on training to the Operational Team on the effective and safe operation of the *Automated Testing Station Lanes*, encompassing all relevant functionalities and operational safety protocols.
 - **Maintenance Training:** The Successful Bidder shall provide detailed training to the Maintenance Team on routine, preventive maintenance, fault diagnosis, troubleshooting, and overall upkeep to ensure sustained performance and reliability of the equipment.
- The Successful Bidder shall supply all requisite training materials, including manuals, technical documents, and operational guidelines in the English language. Such documentation shall be furnished in both printed and digital formats, as deemed appropriate, to facilitate effective knowledge transfer and future reference.

Failure to conduct training or provide complete documentation within the specified time will attract a

penalty of ₹25,000 per week and may result in withholding of final payment or performance guarantee

13. NIAIMT's Rights

- 13.1 Right to Inspect and Verify:** NIAIMT reserves the right to inspect, test, and verify the equipment for *Automated Testing Station Lanes*, and all related components at any stage during manufacturing, pre-delivery, installation, commissioning, and operational phases to ensure strict compliance with the tender specifications, contractual terms, and applicable standards.
- 13.2 Right to Reject:** NIAIMT shall have the right to reject any equipment, parts, or services that do not conform to the prescribed technical specifications, quality requirements, or contractual obligations without prejudice to its rights under the contract. Rejected goods or services shall be replaced or rectified by the Successful Bidder at no additional cost to NIAIMT within the stipulated time frame.
- 13.3 Right to Seek Clarifications and Modifications:** NIAIMT reserves the right to seek clarifications, request additional information, or require modifications to the equipment or services at any point during the contract period to ensure alignment with its operational requirements and safety standards.
- 13.4 Right to Audit and Access Records:** NIAIMT shall have the right to audit, access, and review all relevant documentation, quality records, test reports, and certifications related to the *Automated Testing Station Lanes*, supplied under this contract.
- 13.5 Right to Enforce Contractual Remedies:** In the event of breach, delay, or non-performance by the Successful Bidder, NIAIMT reserves the right to invoke any and all remedies available under the contract, including but not limited to penalties, liquidated damages, withholding of payments, or termination of the contract.
- 13.6 Right to Final Acceptance:** The final acceptance of the *Automated Testing Station Lanes* and all related components shall rest solely with NIAIMT and shall be contingent upon satisfactory fulfilment of all technical, operational, and contractual requirements as determined by NIAIMT'S authorized representatives.
- 13.7 Right to Reject, Modify, or Cancel Tender:** NIAIMT expressly reserves the right to reject, modify, or cancel the tender process, in whole or in part, at any stage without assigning any reason thereof and without incurring any liability whatsoever to any bidder or party.

14. Payment Terms: The total contract value shall be payable to the Successful Bidder in accordance with the following milestone-based payment schedule, subject to fulfillment of the contractual obligations related to the *Supply, Installation, Commissioning, Training and Acceptance of the complete scope*.

14.1 Payment Milestones for complete scope except CAMC

a) 60% (Sixty Percent) of the total contract value shall be released upon:

- Receipt of the complete equipment and all associated components at NIAIMT in a defect-free condition.
- Submission of all requisite delivery documents; and
- Physical verification and material receipt certification by the authorised representative of NIAIMT.

b) 20% (Twenty Percent) of the total contract value shall be released upon:

- Successful Installation of the Automated Testing Equipment; and
- Submission of Installation and Commissioning certificate duly signed by the authorised NIAIMT official.

c) Balance 20% (Twenty Percent) of the total contract value shall be released upon:

- Successful Completion of Commissioning Audit by the bidder.
- Confirmation of compliance with all technical and performance parameters as specified in the tender documents; and
- Issuance of the Final Acceptance Certificate by NIAIMT.

14.2 Payment Milestones for CAMC

- Payment shall be released on quarterly basis after completion of each quarter.

14.3 Mandatory Documents for Payment Release: The following documents shall be submitted by the Successful Bidder to NIAIMT for processing of payments

- Original Tax Invoice (in compliance with GST norms).
- Original Delivery Challan (if applicable).
- E-Way Bill (Part A & Part B).
- Consignee LR Copy (if applicable).
- Warranty/Guarantee Certificate issued by the OEM.
- Installation & Commissioning Report and Final Acceptance Certificate (as applicable).

All payments shall be made subject to statutory deductions (such as TDS, GST TDS) as applicable under Indian laws. No advance payment shall be made unless specifically agreed to in writing by NIAIMT.

15. Performance Security

15.1 Submission of Performance Security: The Successful Bidder shall furnish a Performance Security for an amount equivalent to *five percent (5%)* of the total contract value, within fifteen (15) days from the date of award of contract.

15.2 Form and Validity: The Performance Security shall be submitted in the form of an unconditional *Bank Guarantee or Fixed Deposit Receipt (FDR)* issued by a Scheduled Commercial Bank in India or online payment via NEFT/RTGS, in favour of "National Institute for Automotive Inspection, Maintenance and Training (NIAIMT)", payable at Silchar.

The Performance Security shall remain **valid for a period of 65 months from the date of award of contract covering delivery/completion period and final acceptance, warranty period and CAMC period.** Accordingly, the total validity of the Performance Security shall not be less than *Sixty Five (65) Months* from the date of award of contract.

15.3 Purpose and Invocation: The Performance Security shall serve as a safeguard against any failure of the Successful Bidder to perform its obligations under the contract. NIAIMT reserves the right to invoke the Performance Security, in part or in full, without notice, in the event of any breach of contract, non-performance, delay, or defect in performance during the warranty period.

15.4 Release of Performance Security: Subject to satisfactory performance and fulfilment of all contractual obligations by the Successful Bidder, the Performance Security shall be released upon expiry of the contract period against a written request by the bidder and submission of a No Dues Certificate from the concerned NIAIMT department.

15.5 Failure to Submit Performance Security: Failure on the part of the successful bidder to submit the required Performance Security within the stipulated time period shall be treated as a material breach of contractual obligations. In such an event, the Purchaser (NIAIMT) reserves the right to take any or all of the following actions, without prejudice to any other rights available under the contract or applicable law

- Cancellation of the contract in part or in full; or
- Forfeiture of any payments/advances made to the bidder, including any Earnest Money Deposit (EMD) or other securities submitted; or
- Blacklisting or debarment of the bidder from participation in future tenders of NIAIMT; or
- Initiation of legal proceedings or recovery actions for losses, if any, suffered by NIAIMT due to non-compliance; and/or

- Any other action as may be deemed appropriate by NIAIMT in accordance with the terms of the contract and applicable Government of India procurement policies.

The decision of NIAIMT in this regard shall be final and binding on the bidder.

- 16. Billing Address: National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) Vill. Jaffirbond, PO. Udharbond, Dist. Cachar, Assam, Pin- 788030 or as intimated by buyer.**
- 17. Offer Validity:** Offers should be valid for a minimum of *One Hundred Eighty (180) Days* from the date of opening the Technical Bid. A bid, valid for a shorter period, is liable to be rejected. NIAIMT Silchar may ask the bidders to extend the period of validity, if required.
- 18. Price:** The prices are to be quoted in INR in figures only. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected.
- 19.** The tender document is not an offer and is issued with no commitment. NIAIMT reserves the right to withdraw this notice inviting tender or vary any part thereof at any stage. NIAIMT further reserves the right to disqualify any bidder, should it be so necessary at any stage. NIAIMT reserves the right to reject any or all the tenders, wholly or partly, without assigning any reason thereof and shall not be bound to accept the lowest tender.
- 20.** Law of the Republic of India are applicable to this tender.
- 21. Qualification Criteria:** The bidder whose bid meets the technical specification and evaluation criteria given above would only be considered (As per conditions mentioned in Evaluation Criteria).
- 22. System of Award of Contract:** The bidder who satisfies the qualification criteria and offers lowest (L1) would be selected.
- 23. Applicability of ATC and GeM General Terms and Conditions:** All provisions, stipulations, obligations, and requirements set forth in the Additional Terms and Conditions (ATC) shall be strictly binding and enforceable upon all bidders, without exception. In respect of any matter, condition, or contingency that is not expressly covered, specified, or regulated under the ATC, the GeM General Terms and Conditions shall ipso facto govern such aspects and shall be deemed to be incorporated into, and to form an integral part of, this tender document with full force and effect.
- 24. Please ensure that ATC documents must be signed and stamped on all pages as a token of acceptance of all the terms and conditions.**
- 25. Unsatisfactory Performance:** The successful bidder hereby agrees and acknowledges that the National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) shall have the sole and absolute discretion to evaluate and determine the suitability, quality, and performance of any component(s), subsystem(s), or complete system(s) supplied under this contract, whether during the pre-dispatch, inspection, testing, installation, commissioning, or post-commissioning phases.
- In the event that any component, equipment, or system—whether in part or in full—is found to be **deficient, substandard, non-compliant with specifications**, or otherwise **unsatisfactory** in the opinion of NIAIMT, NIAIMT reserves the unequivocal right to **reject such component(s) or system(s)** without incurring any liability, financial or otherwise, and **without any obligation to provide justification** or explanation for such rejection.
- The **bidder expressly undertakes** to abide by and accept NIAIMT's decision in this regard as **final and binding**, and **waives all rights to contest, dispute, or seek redressal** in respect of such decision. No claim for costs, compensation, or consequential damages shall be entertained by NIAIMT under such circumstances.
- 26. Termination of Contract:** If the performance of the successful bidder (hereinafter referred to as the "Vendor") is found to be unsatisfactory – whether in terms of timely delivery, quality of the goods

supplied, or non-compliance with the contractual obligations – NIAIMT shall issue a written notice to the Vendor, treating the same as a formal warning.

If, notwithstanding the first warning, the Vendor fails to rectify the deficiencies or does not take corrective measures within **fifteen (15) days** from the date of the first notice, a **second and final warning** shall be issued.

Should the Vendor continue to remain non-compliant or fail to meet the required performance standards even after issuance of the second warning, NIAIMT **reserves the right to terminate the contract/work order**, in whole or in part, **by giving one (1) month's written notice**, without assigning any further reason and without any liability whatsoever on the part of NIAIMT.

Upon termination:

- The contract shall become **null and void** from the date of expiry of the notice period.
- Any pending payment deemed payable to the Vendor, if any, shall be **withheld or forfeited** at the discretion of NIAIMT.
- **No further claims, liabilities, or compensations** of any kind shall be entertained by NIAIMT.
- The Vendor shall be required to **withdraw all deployed personnel, equipment, and material** from NIAIMT premises within **thirty (30) days** from the termination date.
- **Failure to vacate the premises** may lead to NIAIMT taking appropriate legal and administrative measures.

The **decision of the Competent Authority of NIAIMT** regarding the performance of the Vendor and termination of the contract shall be **final and binding**.

27. Confidential Information: NIAIMT and Selected Bidder shall keep confidential and not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of contract.

28. Dispute Resolution (Arbitration): In the event of any dispute or difference arising between the NIAIMT and the Contractor/Supplier in connection with or arising out of this Contract, including any matter relating to the interpretation or performance of its terms, the parties shall endeavor to resolve such disputes amicably through mutual discussion and consultation.

If the dispute remains unresolved after thirty (30) days of such mutual discussions, the matter shall, subject to the provisions herein, be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996, and any amendments thereto.

Subject to the guidelines issued by the *Department of Expenditure, Ministry of Finance, vide OM No. F.1/2/2024-PPD dated 03.06.2024*, arbitration shall be an available method of dispute resolution only where the value of the dispute is less than **₹10 crores (Rupees Ten Crore)**. This threshold refers to the value of the dispute and not the overall value of the contract. For disputes where the value exceeds **₹10 crores**, the parties shall resolve the matter through appropriate judicial forums and arbitration shall not be applicable. Where arbitration is permissible, a Sole Arbitrator shall be appointed by the Director (NIAIMT), with the mutual concurrence of both parties. The decision of the Sole Arbitrator shall be final and binding on both parties.

The arbitration proceedings shall be conducted in the English language, and the venue of arbitration shall be Assam. The parties agree that they shall not approach any court of law for the resolution of disputes unless the arbitration mechanism provided herein is exhausted, where applicable.

Subject to the above, the courts at Assam, shall have exclusive jurisdiction over all matters arising under this contract.

29. Force Majeure: For the purpose of this Contract, "Force Majeure" shall mean any event or circumstance beyond the reasonable control of either party (the Successful Bidder or NIAIMT) which was not reasonably foreseeable, or which, with the exercise of due diligence, could not have been

foreseen or prevented, and which materially and adversely affects the performance of obligations under this Contract.

Events qualifying as Force Majeure shall include, but not be limited to, the following:

- Natural calamities such as floods, droughts, earthquakes, hurricanes, cyclones, lightning, or other acts of God.
- Pandemics or epidemics, or any public health emergency declared by competent authorities.
- Acts of war (declared or undeclared), hostilities, invasion, armed conflict, terrorism, civil unrest, riots, or sabotage.
- Acts or orders of Government authorities, including but not limited to quarantine restrictions, embargoes, prohibitions, or trade restrictions imposed by any competent government authority.
- Freight embargoes, restrictions on transportation, or any unforeseen change in law or government policy materially impacting contract performance.

Obligations during Force Majeure: The party affected by a Force Majeure event shall, within **Seven (7) calendar days** of the occurrence of such event, **notify the other party in writing**, providing sufficient details and evidence of the Force Majeure circumstances and its anticipated impact on the performance of contractual obligations.

Neither party shall be held liable for any **delay or failure** in the performance of its contractual obligations arising directly from such Force Majeure event, provided that:

- The obligations affected are directly related to the Force Majeure event.
- The affected party takes all reasonable steps to mitigate the effect of the Force Majeure on the performance of the contract.
- The performance is resumed as soon as reasonably practicable after the Force Majeure event ceases.

If the period of delay due to Force Majeure extends beyond **sixty (60) days**, either party shall have the right to **terminate the contract** by giving **fifteen (15) days' written notice**, without any financial repercussion or liability on either side, subject to settlement of dues already accrued prior to such termination.

The decision of NIAIMT regarding the existence, duration, and impact of Force Majeure shall be **final and binding** on the successful bidder.

30. Fraud and Corruption: The bidders, suppliers and contractors shall observe the highest standard of ethics during bidding and during performance of the contract. For the purposes of this provision, the following acts shall be considered as corrupt and/or fraudulent practices.

- **"Corrupt Practice"** means offering, giving, receiving, or soliciting directly or indirectly, of anything of value to influence the action of an official in the procurement process or in contract execution.
- **"Fraudulent Practice"** means misrepresentation or omission of facts in order to execution of contract.
- **"Collusive Practice"** means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, non-competitive level.
- **"Coercive Practice"** means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or in execution of a contract.
- During the process of evaluation of a bid or proposal for award of a contract, if it is detected that a bidder directly or through agent has engaged in corrupt, fraudulent, collusive or coercive

practice in competing for the contract in question, then a) the bid shall be rejected and b) declare the firm ineligible for a specific period or indefinitely to participate in a bidding process.

- Bidders may note that GeM is capturing and showing the IP addresses used by the Buyer and Bidder(s)/Seller(s). Bids submitted from IP addresses that are identical to or shared with other Bidders/Sellers shall be deemed invalid and automatically disqualified from further evaluation.

31. Collusive Bidding or Bid Rigging or Cartelization: The Bidder(s) acknowledges and agrees that any form of bid rigging, cartelization, or coordination among bidders, aimed at manipulating the bidding process or prices, is strictly prohibited. In the event of any evidence or suspicion of collusion, bid rigging, or cartel behavior, the Tendering Authority reserves the right to reject the bid(s) and take appropriate legal action, including but not limited to debarment from future tenders and reporting to relevant authorities. Bidders are required to submit their bids independently, without any undue influence or agreement with other participants in the tender process.

32. Integrity Clause

- **Integrity Pact:** The Bidder/Supplier/Contractor shall maintain the highest standards of integrity and shall not indulge in any corrupt, fraudulent, collusive, coercive, or undesirable practices while participating in the tender process or in execution of the contract.
- **Prohibition of Corrupt Practices:** The Bidder shall not offer, give, solicit or accept, directly or indirectly, any bribe, gift, consideration, reward, commission, or other advantage as an inducement or reward for doing or forbearing to do any act in relation to the tender or contract.
- **Compliance with Laws:** The Bidder shall comply with all applicable laws, rules, regulations, and guidelines, including but not limited to the General Financial Rules (GFR) issued by the Government of India and relevant procurement manuals.
- **Declaration of Non-Conflict:** The Bidder affirms that it has not been convicted of any offense involving corrupt or fraudulent practices and is not involved in any ongoing investigation related to such offenses.
- **Consequences of Breach:** Any violation of this Integrity Clause shall entitle the Purchaser/Contracting Authority to reject the bid, terminate the contract, and take any other legal action including blacklisting/debarment as per applicable rules.
- **Reporting Mechanism:** Bidders may report any observed or suspected violation of this clause through appropriate channels as prescribed in the tender documents or procurement manuals.

33. MSE's & Startups Exemption Applicability: NIAIMT reserves right to relax the condition of prior turnover and prior experience for Micro or Small Enterprise (MSE) and Start-up enterprises subject to meeting of quality & technical specifications. The decision of the Procuring Entity in this regard shall be final.

- If the bidder is a Micro or Small Enterprise as per latest orders issued by Ministry of MSME, the bidder may be exempted from the eligibility criteria of "Experience Criteria" as defined above subject to meeting of quality and technical specifications. The bidder seeking exemption from Experience Criteria shall upload the supporting documents to prove his eligibility for exemption.
- If the bidder is a Micro or Small Enterprise (MSE) as per latest orders issued by Ministry of MSME, the bidder may be exempted from the eligibility criteria of "Bidder Turnover" as defined above subject to meeting of quality and technical specifications. If the bidder itself is MSE OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking exemption from Turnover shall upload the supporting documents to prove his eligibility for exemption.

- If the bidder is a DPIIT registered Startup, the bidder may be exempted from the eligibility criteria of "Experience Criteria" as defined above subject to their meeting of quality and technical specifications. The bidder seeking exemption from Experience Criteria shall upload the supporting documents to prove his eligibility for exemption.
- If the bidder is a DPIIT registered Startup, the bidder may be exempted from the eligibility criteria of "Bidder Turnover" as defined above subject to their meeting of quality and technical specifications. If the bidder is DPIIT Registered OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking exemption from Turnover shall upload the supporting documents to prove his eligibility for exemption.

34. Preference to Make in India products): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate. The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023. OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

35. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference / price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

Annexure - G

पूर्व-स्वीकृति मानदंड / Pre-Acceptance Criteria

Acceptance Criteria: All drawings, utility requirements, interface specifications along with detailed lists of all elements to be supplied, including the principal technical specifications, shall be submitted to NIAIMT/CAT for review and approval. Acceptance shall be contingent upon NIAIMT written verification and approval of the aforementioned documents.

If NIAIMT require any amendments, clarifications, or modifications, the supplier shall revise and resubmit the relevant documents accordingly, at no additional cost and within the timeframe stipulated by NIAIMT. All such modifications shall be deemed mandatory and shall form part of the supplier's contractual obligations.

Pre-Acceptance

- General Requirements:** Prior to delivery, NIAIMT's duly authorized representatives shall conduct a comprehensive inspection and pre-acceptance testing of the fully assembled equipment to be supplied. The purpose of this inspection and testing is to enable the Supplier to demonstrate complete BOQ list, compliance with all technical requirements set forth in the tender documents.
- Non-Compliance and Remedial Actions:** Any defects, deficiencies, or instances of non-compliance identified during the pre-acceptance process shall be rectified by the supplier at its sole cost and expense. All corrective actions shall be carried out to the satisfaction of NIAIMT and within the timeframe specified by NIAIMT. No additional charges, extensions, or claims shall be permitted in relation to such remedial work.
- Duration and Limitations:** The pre-acceptance tests shall have a duration of days which satisfies the purpose of the pre acceptance and is acceptable to the NIAIMT technical team. Completion of the off-site inspections and calibration shall not constitute, nor be construed as, final acceptance of the equipment. Pre-acceptance does not waive NIAIMT's right to reject the equipment at a later stage should any non-conformity with the tender specifications be discovered.
- Scope of Pre-Acceptance for Specific Equipment:** The pre-acceptance activities shall include, but not be limited to, the verification of the **Equipments alongwith allied components** and its operation, as referenced in the Scope of Supply.
- Pre-Acceptance Activities:** The pre-acceptance visit shall comprise, at a minimum, the following activities
 - **Visual Inspection** of the actual equipment and all supplied components.
 - **Operational Inspection and Compliance Verification** of the **Equipments alongwith allied components** and its operation, as referenced in the Scope of Supply
 - **Review and verification** of the complete BOQ list.

Annexure - H

अंतिम स्वीकृति परीक्षण मानदंड / Final Acceptance Test Criteria

1. **Initial Verification Procedures:** Upon delivery and installation of the equipment on-site, the following inspections and verifications shall be carried out by NIAIMT's authorized representatives, in the presence of the Supplier
 - **Calibration Verification:** Review and confirmation that the calibration certificates correspond to the serial numbers of the equipment delivered. All calibration values shall be verified to ensure they fall within admissible tolerances.
 - **On-Site Recalibration:** A complete recalibration of the equipment shall be performed on-site in accordance with the applicable standards and manufacturer procedures.
 - **Sensor Validation:** Verification of all sensors, including but not limited to bridges, connectors, and identification features.
 - **Software Validation:** Verification of the correct operation of all software components, including the ability to execute required functions and to export, transfer, or dump data in the prescribed formats.
 - **System Validation:** Functional validation of all subsystems to ensure they operate in accordance with the technical requirements.
 - **Calibration Plan Verification:** Review and validation of the Supplier's proposed calibration plan applicable during the warranty period.
 - **Documentation Verification:** Verification of all documentation delivered, including manuals, certificates, technical drawings, software licenses, and maintenance procedures.
 - **Operational Inspections with Samples:** Execution of inspections or tests using multiple sample types to demonstrate that the equipment's operation and outputs satisfy all requirements specified in this tender.
2. **Subsequent System Testing:** Upon successful and complete achievement of all initial checks described above, the following tests shall be conducted.
 - **Comprehensive Subsystem Evaluation:** The Supplier shall conduct a complete system evaluation and shall demonstrate to the full satisfaction of NIAIMT the correct and compliant operation of all subsystems and auxiliary devices. The Supplier shall provide evidence that all auxiliary devices meet or exceed the performance, accuracy, and operational requirements specified in the tender documents.

Supplier shall further verify & demonstrate that the equipment interfaces correctly/safely with all required utilities, infrastructure & safety systems, in accordance with all applicable standards and tender specifications.

Any defects, malfunctions, deficiencies, or instances of non-conformity identified at this stage—whether such issues were detected during pre-delivery inspection shall be remedied by the Supplier promptly, at its sole cost and expense, and without any entitlement to additional payment or extension of time.

3. **Acceptance Testing of Auxiliary Devices:** NIAIMT reserves the right to conduct, or require the Supplier to conduct, any tests referenced in the technical specifications to evaluate the performance of the test beds, actuators, control systems, and all auxiliary devices. The Supplier shall demonstrate to NIAIMT satisfaction that all performance, accuracy, and operational requirements have been fully met.

4. After the installation & commissioning of the test lanes and necessary calibrations, the bidder shall conduct 3rd party commissioning audit of the ATS facility as prescribed in CMVR rules and amendments on its own cost.

Form "I"

प्रदर्शन बैंक गारंटी के लिए परफॉर्मा/Performa for Performance Bank Guarantee

(To be executed on non-Judicial stamped paper of an appropriate value)

WHEREAS National Institute for Automotive Inspection, Maintenance and Training (NIAIMT) having its office at Vill. Jaffirbond, PO. Udharbond, Dist. Cachar, Assam, Pin- 788030 (hereinafter referred to as "The Owner" which expression shall unless repugnant to the context includes their legal representatives, successors and assigns) and having their Corporate office at , has executed a contract on [Please insert date of execution of Contract] ("**Contract**") with [insert name of the Successful Bidder](hereinafter referred to as the "**Contractor**" which expression shall unless repugnant to the context include its legal representatives, successors and permitted assigns) for the performance, execution and implementation of the Works ("**Works**" shall have the meaning ascribed to it in the Contract] based on the terms & conditions set out in the Tender Documents number [insert reference number of the Tender Documents] dated [insert date of issue of Tender Documents].....and various other documents forming part thereof.

AND WHEREAS one of the conditions of the Contract is that the Contractor shall furnish to the Owner a Bank Guarantee from a scheduled bank in India having a branch at Silchar for an amount equal to **5% (five percent)** of the total Contract Sum (the amount guaranteed under this bank guarantee shall hereinafter be referred to as the "**Guaranteed Amount**") against due and faithful performance of the Contract from the post-commissioning stage of the Works under the Contract, including the performance bank guarantee obligation and other obligations of the Contractor for the supplies made and the Works being performed and executed by under the Contract. This bank guarantee shall be valid from the date hereof up to the expiry of the Warranty Period including any extension thereof.

AND WHEREAS the Contractor has approached [insert the name of the scheduled bank] (here in after referred to as the "**Bank**") having its registered office at [insert the address].....and at the request of the Contractor and in consideration of the promises made by the Contractor, the Bank has agreed to give such guarantee as hereunder:-

- (i) The Bank hereby undertakes to pay under this guarantee, the Guaranteed Amount claimed by the Owner without any further proof or conditions and without demur, reservation, contest, recourse or protest and without any enquiry or notification to the Contractor merely on a demand. Any such demand made on the Bank by the Owner shall be conclusive as regards the amount due and payable by the Bank under this bank guarantee and the Bank shall pay without any deductions or set-offs or counterclaims whatsoever, the total sum claimed by the Owner in such Demand. The Owner shall have the right to make an unlimited number of Demands under this bank guarantee provided that the aggregate of all sums paid to the Owner by the Bank under this bank guarantee shall not exceed the Guaranteed Amount.
- (ii) However, the Bank's liability under this bank guarantee shall be restricted to an amount not exceeding [figure of Guaranteed Amount to be inserted here].....only).
- (iii) The Owner will have the full liberty without reference to the Bank and without affecting the bank guarantee to postpone for any time or from time to time the exercise of any powers and rights conferred on the Owner under the Contract and to enforce or to forbear endorsing any powers or rights or by reasons of time being given to the Contractor which under law relating the Surety would but for the provisions have the effect of releasing the surety.
- (iv) The rights of the Owner to recover the Guaranteed Amount from the Bank in the manner aforesaid will not be affected or suspended by reasons of the fact that any dispute or disputes have been

raised by the Contractor and / or that any dispute(s) are pending before any office, tribunal or court in respect of such Guaranteed Amount and/ or the Contract.

- (v) The guarantee herein contained shall not be affected by the liquidation or winding up, dissolution, change of constitution or insolvency of the Contractor but shall in all respects and for all purposes be binding and operative until payment of all money due to the Owner in respect of such liability or liabilities is affected.
- (vi) This bank guarantee shall be governed by and construed in accordance with the laws of the Republic of India and the parties to this bank guarantee hereby submit to the jurisdiction of the Courts of New Delhi for the purposes of settling any disputes or differences which may arise out of or in connection with this bank guarantee and for the purposes of enforcement under this bank guarantee.
- (vii) All capitalized words used but not defined herein shall have the meanings assigned to them under the Contract.

NOTWITHSTANDING anything stated above, the liability of the Bank under this bank guarantee is restricted to the Guaranteed Amount and this bank guarantee shall expire on the expiry of the Warranty Period under the Contract. Unless a Demand under this bank guarantee is filed against the Bank within six (6) months from the date of expiry of this bank guarantee all the rights of the Owner under this bank guarantee shall be forfeited and the Bank shall be relieved and discharged from all liabilities hereunder. However, if the Contractor's obligations against which this bank guarantee is given, are not completed or fully performed by the Contractor within the period prescribed under the Contract, the Bank hereby agrees to further extend the bank guarantee for further periods of six months each till the Contractor fulfills its obligations under the Contract.

We have the power to issue this bank guarantee in your favor under Memorandum and Article of Association and the Undersigned has full power to do so under the Power of Attorney dated [*date of power of attorney to be inserted*].....granted to him by the Bank.

 - h. *Sister including stepsister.*

WE FURTHER DECLARE THAT we have carefully read and understood the clause relating to ‘Conflict of Interest’ of Tender No. _____. The detailed Clause is as under:

“A bidder shall not have conflict of interest with other bidders for quoted item. Such conflict of interest can lead to anti-competitive practices to the detriment of Procuring Entity’s interests. The bidder found to have a conflict of interest shall be disqualified. A bidder may be considered to have a conflict of interest with one or more parties in this bidding process for quoted item, if:

- a) *they have proprietor/partner(s)/ Director(s) in common; or*
- b) *they receive or have received any direct or indirect subsidy/ financial stake from any of them; or*
- c) *they have the same legal representative/ agent for purposes of this bid; or*
- d) *they have relationships with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder; or*
- e) *Bidder participates in more than one bid in this bidding process. Participation by a bidder in more than one Bid will result in the disqualification of all bids in which the parties are involved. However, this does not limit the inclusion of the components/ sub-assembly/ assemblies from one bidding manufacturer in more than one bid.*
- f) *in cases of agents quoting in offshore procurements, on behalf of their principal manufacturers, one agent cannot represent two manufacturers or quote on their behalf in a particular tender enquiry. One manufacturer can also authorize only one agent/ dealer. There can be only one bid from the following:*

1. The principal manufacturer directly or through one Indian agent on his behalf; and
 2. Indian/foreign agent on behalf of only one principal.
- g) a Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the contract that is the subject of the Bid.*
- h) In case of a holding company that has more than one independent manufacturing unit or more than one unit having common business ownership / management, only one unit should quote. Similar restrictions would apply to closely related sister companies. Bidders must proactively declare such sister/ common business/ management units in same/ similar line of business.*
- i) Bidder shall not act in contravention/ violation to the provisions of competition act, as amended from time to time.*

We hereby certify that our Firm M/s. _____ do not have any conflict of interest with other bidders for this tender.

We hereby declare and confirm that the above information and particulars are true and correct.

Subject: OEM Authorization Certificate for Participation in Tender

Dear Sir/Madam,

We, [OEM's Company Name], having our registered office at [OEM's Address], hereby authorize M/s [Bidder's Company Name], having its office at [Bidder's Address], to participate in the above-mentioned tender and to offer and supply our products, spares, and services as specified in the tender documents issued by NIAIMT.

This authorization is granted for the specific purpose of enabling M/s [Bidder's Company Name] to:

- Offer and supply genuine products and spares manufactured by us.
- Carry out installation, testing, commissioning, maintenance, and/or reconditioning services related to our equipment.
- Provide after-sales support, including warranty, repair, and service obligations as applicable under the scope of the tender.

We confirm that:

1. M/s [Bidder's Company Name] is our OEM/ OES / subsidiary/ Authorized Channel Partner for the following product line(s):
 - a) List of authorized equipment/systems/spares related to **Supply, Installation, Commissioning of Vehicle Testing Equipment and its allied equipment**
2. The products and services offered by them shall be genuine, OEM-approved, and sourced directly through us or our authorized supply channels.
3. We shall extend all necessary technical support, spare parts supply, documentation, and warranty backing to M/s [Bidder's Company Name] for fulfilling their contractual obligations arising out of this tender, during both execution and warranty periods.
4. This authorization shall remain valid from [Start Date] to [End Date], unless earlier revoked by the OEM in writing with prior notice to NIAIMT.

We confirm that the authorization is being issued solely for the purpose of this specific tender and shall not be construed as a general appointment unless expressly stated.

We request you to consider this certificate as part of the technical bid submitted by M/s [Bidder's Company Name].

Yours sincerely,

For and on behalf of [OEM's Company Name]

स्थानीय सामग्री की घोषणा संबंधी प्रमाण पत्र/Certificate Regarding Declaration of Local Content (On the Bidder Letter Head)

Subject: Certification regarding Local Content

Reference: GeM Bid no.

Description of item(s):

We hereby certify that the quoted items offered by us against above Enquiry No. is having local content of%.

Further, to certify that the local content % certified above is in line with definition of Local content given in point no 2 of Public Procurement (Preference to Make in India), Order 2017 dated 19.07.2024 and we qualify as **Class -.....** (Class-I/ Class-II/Non-Local supplier - as applicable) local supplier.

We further confirm that details of location at which the local value addition is made is at
..... (Bidder's / OEM's Manufacturing works)

Country of Origin from OEM:

(For items sold by bidder as reseller, OEM certificate for Country of Origin to be submitted.)

We confirm the following for the current tender:

- (1) Repackaging/ Refurbishment/ Rebranding of imported products has not been considered for calculation of local content or Domestic Value Addition (DVA).

That the cost of imported items sourced locally from resellers/ distributors and cost of license/royalty paid/technical expertise cost etc. source from outside of India has been excluded from the local content, as mentioned in 3(d) of PPP-MII order Public Procurement (Preference to Make in India), Order 2017 dated 19.07.2024 issued by DPIIT.

- (2) For contracts involving supply of multiple items, weighted average of all items has been taken while calculating the local content.
- (3) We understand, for this procurement, the local content to categorize a supplier as a Class I local supplier/ Class II local Supplier/ Non-local supplier and purchase preference to Class I local supplier, is as defined in Public Procurement (Preference to Make in India), Order 2017 dated 19.07.2024 issued by DPIIT. In case of subsequent orders issued by the nodal ministry, changing the definition of local content for the items of the NIT, the same shall be applicable even if issued after issue of this NIT, but before opening of Part-II bids against this NIT.
- (4) We understand that we have to give a self-certification regarding local content wherever the tender value is up to Rs 10 crores. In case, the tender value is more than INR 10 Crores, we shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content. In both the cases, the certification has to be provided by us during bid submission.
- (5) We also understand, false declaration will be in breach of Code of Integrity under the rule 175(1)(i)(h) of the General finance rules for which the bidder or its successors can be debarred for up to two years

अतिरिक्त नियम और शर्तें /Additional Terms & Conditions (ATC)

as per Rule 151(iii) of the General Finance Rules along with such other actions as may be permissible under the law.

- (6) That in case we are the successful bidder and the contract value of the order awarded to us is more than Rs 10 crores, we will provide local content certification duly certified by cost/ chartered accountant in practice during execution of the contract. That a penalty up to 10% of the contract value may be imposed on us during execution, in case we do not meet the stipulated local content during the execution of the contract. We are also aware that the contract awarded to us will not be terminated on this account.
- (7) We hereby declare that the details furnished above are true and correct to the best of our knowledge and belief and we undertake to inform you of any changes therein, immediately. In case any of the above information is found to be false or untrue or misleading or misrepresenting, we are aware that we may be held liable for it.

Thanking you,
Yours faithfully,

(Signature, Date & Seal of
Authorized Signatory of the Bidder)

Note: Bidders to note that in case above certification given by a bidder, whose bid is accepted, is found to be false, then this would be a ground for penal action and for taking further action in accordance with law and as per extant guidelines.

Subject: Supply, Installation, Commissioning of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam

Tender Reference: NIAIMT/ATS Tender/SIL/396/2026-27/7509

Dear Sir/Madam,

We, M/s _____ (Name of Bidder), having our registered office at _____, do hereby certify and declare as under:

1. That the prices/rates quoted by us in response to the above-mentioned tender for the **Supply, Installation, Commissioning of Vehicle Testing Equipment and Necessary IT Infrastructure along with Necessary Civil Works for Automated Testing Facility at National Institute for Automotive Inspection, Maintenance and Training (NIAIMT), Silchar, Assam.**
2. That the prices offered are **not higher than those charged** to any other Government Department, Public Sector Undertaking (PSU), Autonomous Body, or reputed private automotive testing agency for similar goods or services, in the **recent past.**
3. That we have extended the **maximum applicable discount** to NIAIMT and hereby confirm that the price quoted to NIAIMT is the **lowest** offered by us to any of the institutions or organizations as mentioned above for comparable goods/services.
4. That in the event it is discovered at any stage during the currency of the contract that we have supplied the same or substantially similar goods/services to any other Government/PSU/Autonomous Body/Private Automotive Testing Agency at a **lower price**, we agree and undertake that NIAIMT shall, at its sole discretion, be entitled to exercise any one or more of the following remedies, without prejudice to its other legal rights or remedies:
 - Demand and recover the differential amount from us by way of refund or adjustment.
 - Cancel the purchase order in full or in part, without any liability on the part of NIAIMT.
 - Debar/blacklist us from participation in future tenders or procurement processes of NIAIMT.
 - Initiate appropriate legal proceedings under applicable laws for misrepresentation or breach of declaration.

We understand and accept that this declaration is a binding commitment forming an integral part of our bid, and any violation may result in appropriate penal or legal action.

Thanking you,

Yours faithfully,
